Unequal Profession Meera E Deo, 2023-05-25 A study of the experiences of women of color law school faculty and the effect of race and gender on legal education This book is the first formal empirical investigation into the law faculty experience using a distinctly intersectional lens examining both the personal and professional lives of law faculty members Comparing the professional and personal experiences of women of color professors with white women white men and men of color faculty from assistant professor through dean emeritus *Unequal Profession* explores how the race and gender of individual legal academics affects not only their individual and collective experience but also legal education as a whole Drawing on quantitative and qualitative empirical data Meera E Deo reveals how race and gender intersect to create profound implications for women of color law faculty members presenting unique challenges as well as opportunities to improve educational and professional outcomes in legal education Deo shares the powerful stories of law faculty who find themselves confronting intersectional discrimination and implicit bias in the form of silencing mansplaining and the presumption of incompetence to name a few Through hiring teaching colleague interaction and tenure and promotion Deo brings the experiences of diverse faculty to life and proposes several mechanisms to increase diversity within legal academia and to improve the experience of all faculty members Praise for *Unequal Profession* Fascinating shocking and infuriating Meera Deo's careful qualitative research exposes the institutional practices and cultural norms that maintain a separate and unequal race gender order even within the privileged ranks of tenure track law professors With riveting quotes from faculty across a range of institutional and social positions *Unequal Profession* powerfully reminds us that we must do better I saw my own career in this book and you might too Angela P Harris University of California Davis A powerful account of inequality in legal academia Quantitative data and compelling narratives bring to life the challenges and roadblocks in gaining not just entry and tenure but also respect for the voices of minority women within the academy There are no easy remedies but reading this book is a good place to start for lawyers and law professors to understand what minority women face and which practices can increase the odds of success Bryant G Garth University of California Irvine *Unequal Profession* should be mandatory reading for everyone in legal academia By providing concrete evidence of systemic discrimination Meera Deo illuminates a long standing problem needing to be remedied Sarah Deer University of Kansas
