The Flame in the Cauldron Orion Foxwood, 2025-09-12 Few words entice and incite like the word witchery Thousands of self identified witches pagans and magical practitioners embrace the word but seldom go beyond the practice of the well accepted and learned forms of traditional witchcraft to explore the path of old witchery Orion Foxwood invites readers to walk on the path of old style witchery a nature based practice that is as old as the swamps and as wild as the woods For the first time Foxwood reveals some of his own deeply personal rituals and spells directly from his own grimoire of witchery he highlights the differences and similarities between Wicca traditional witchcraft and old style witchery By weaving his own path to witchery throughout the book he gives readers examples of how to identify the way toward this path There is a revolution among the Pagan and Witchcraft communities a movement away from prescribed ritual and neopagan practices and a reaching back toward what Foxwood says is in the heart of any true witch a thundering call deep within their very blood to become a healer a reckoner a protector of magical arts and a guardian of the wild woods
