Dameronia Paul Combs,2012-11-19 *Dameronia* is the first authoritative biography of Tadd Dameron an important and widely influential figure in jazz history and one of the most significant composers and arrangers of jazz swing bebop and big band This book sets out to clarify Dameron s place in the development of jazz in the post World War II era as he arranged for names like Count Basie Artie Shaw Jimmie Lunceford and Dizzy Gillespie and played with Bull Moose Jackson and Benny Golson It also attempts to shed light on the tragedy of his retreat from the center of jazz activity in the 1950s By tracing Dameron s career one finds that until 1958 when he was incarcerated for drug related offenses he was at the forefront of developments in jazz sometimes anticipating trends that would not develop fully for several years Dameron was a very private man and while some aspects of his story will probably remain an enigma this book manages to give an intimate portrait of his life and work
