Banned Questions About Jesus:

Banned Questions About Jesus Christian D Piatt, 2011-06-30 Did Jesus ever have sex Was Jesus ever wrong Do people have to choose to follow Jesus to go to heaven Ever get the feeling that you can't ask those kinds of questions at church But if we can't ask the tough keep you awake at night questions within our faith communities then what good are those communities Listen in as more than a dozen contributors whose ranks include a lawyer a recovering achiever lapsed vegetarian ministers ordained and not ordained and more discuss the questions your Sunday school teachers were afraid to answer Also look for Banned Questions about the Bible available at www.chalicepress.com and e mail your own banned questions to cpiatt@christianpiatt.com for future books Banned Questions series editor Christian Piatt is a managing editor for PULP an independent alt monthly publication for southern Colorado a musician spoken word artist and cofounder of Milagro Christian Church in Pueblo Colorado cocreator and coeditor of the WTF Where's the Faith book series contributor to theooze.com and Red Letter Christians blog and author of the upcoming Pregnancy A Dad a Little Dude and a Due Date Banned Questions About Christians Piatt, Christian, 2014-01-15 This latest book in the insightful and entertaining Banned Questions series addresses fifty questions about Christians that many of us have wondered regarding Hell sprinkle vs dunk baptism gay and lesbian issues in ministry the inconsistencies of communion the multitude of denominations God's allowance of suffering in the world and more This is a great addition to your library as you or your study group ponder the questions many have wanted to ask and few were brave enough to answer *Banned Questions About the Bible* Christian D Piatt, 2011-03-31 From Christian Piatt When I was a teenager my youth minister threw a bible at my head for asking questions Too often for various reasons people don't have the opportunity to ask the hard questions they have about faith religion salvation and the bible And when questions are left unanswered in communities of faith people either seek answers elsewhere or lose interest all together The purpose of the series is to collect the most compelling and challenging questions from various theological areas and pose them to a panel of experts who are challenged with responding in two hundred words or less in plain English This volume addresses challenging or controversial questions about scripture collected from people on Facebook MySpace Twitter and other social networking media Respondents include theology professors clergy lay leaders liberals conservatives and voices representing a spectrum of views The idea behind the books is not so much to provide definitive answers as it is to stimulate thought reflection and discussion By offering multiple perspectives readers have the opportunity to arrive at their own questions Better they come to understand that questioning faith is not taboo but rather that it can be at the foundation of a strong and growing faith The directive given to each respondent guided them to be concise and to speak in plain language but also not to rely exclusively on the Bible says its justifications or to wax abstract or overly intellectual Instead they write from personal experience as much as possible and provide real life contexts that will allow the average seeker or churchgoer to apply such ideas to their daily lives **A Thematic Access-Oriented Bibliography of Jesus's**

Resurrection Michael J. Alter, 2019-12-31 The keystone of Christianity is Jesus's physical bodily resurrection. Present day scholars can be significantly challenged as they forage through voluminous documents on the resurrection of Jesus. The literature measures well over seven thousand sources in English language books alone. This makes finding specific sources that are most relevant for specific scholarly purposes an arduous task. Even when a specific book is relevant, finding the parts of the book that are most relevant to the resurrection rather than other topics often requires additional effort. A Thematic Access Oriented Bibliography of Jesus's Resurrection addresses these challenges in several ways. First, the bibliography organizes more than seven thousand English sources into twelve main categories and then thirty-four subcategories which are designed to help you find the most relevant literature quickly and efficiently. Embedded are pro and con arguments which support efficient access through brief annotations and then annotate the diversity and complexity of the field of religion by including sources that represent a diverse range of views: theistic e.g. Christian, Jewish, Muslim, etc., agnostic, and nontheistic. The objective of this bibliography is to provide convenient access to relevant sources from a variety of perspectives, allowing you to browse or find the one source accurately and with ease. 40 Questions about Christians and Biblical Law Thomas R. Schreiner, 2010-10-08 This volume by Dr. Thomas R. Schreiner on the interplay between Christianity and biblical law is an excellent addition to the 40 Questions Answers series. Schreiner not only coherently answers the tough questions that flow from a discussion about the Old Testament Levitical Law but also writes clearly and engagingly for the student, the pastor, student, and layperson. Can we easily understand Schreiner's biblical theology of the Law? postChristian Christian Piatt, 2014-08-12 It's the end of Christianity as we know it. But it's not a catastrophe; it's an opportunity. Thousands are walking away from the church. Christians are grappling with their faith. And both believers and nonbelievers are wondering what's coming next. Fearless and provocative spiritual trailblazer Christian Piatt offers a roadmap to the future of faith with an unflinching examination of the church today. What's left? Pairing the best virtues and worst scandals of Christianity, Piatt invites us to abandon institutional religion for deeper, truer faith. Can we fix it? Guided by the biggest historical religious and pop cultural pioneers of the post-Christian era, he demonstrates how to save the best of what Christianity has to offer and how to rediscover and reinvent the rest. Do we care? There's plenty of good left in Christianity if we dare to be as scandalously graceful and loving as Jesus Himself. Bold and insightful, Post-Christian dares Christians to break out of the box and invites outsiders into the fold as we revolutionize faith for a postmodern world. Bullied in the Bible Belt Gene Skipworth, 2019-10-21 Rev. Skipworth's courage, candor, and compassion jump from the pages of this compilation of his weekly newspaper columns. Letters to the Editor, rebuttals from area ministers, and responses from readers written in the heart of Tennessee's Bible Belt. This book is a give and take between a progressive follower of Jesus and his often irate readers/respondents, most of whom are biblical literalists and evangelical white Christians. With Skip, what you see or read is what you get. He not only tackles the hard issues while wearing vulnerably but also brilliantly translates and integrates his

columns with the informed biblical and theological understanding of many of the most learned minds within progressive Christianity While making their work understandable for his readers friends and foes alike he painstakingly applies their insights to the divisive theological and political issues liberal clergy and laity have tragically failed to address honestly with each other Skip deserves our gratitude for this informed and courageous gift and the whole church owes him our thoughtful and willing dialogue Taken from the Foreword by Bishop Joseph Sprague **The Hyphenateds** Phil Snider,2011-12-12

Though the emergent church was once viewed as a fringe movement with little to offer established congregations it is now seen as one of the central driving forces shaping the future of postmodern Christianity in North America As an increasing number of mainline communities wonder how the emergent church influences their own structures and practices this book brings together the perspectives of several of the most prominent Hyphenated Christians i e those with one foot in the emergent conversation and the other foot in the mainline church Presbymergents Anglimergents Luthermergents Methomergents etc With a passion for both mainline traditions and the emergent conversation Hyphenateds offer a vibrant and contagious vision of the ways in which the church might undergo the transformation necessary to faithfully embody the love of Christ in the midst of an ever changing postmodern world The contributors of this book offer wisdom from a variety of contexts and The Hyphenateds reflects the changing dynamics currently taking place in the emergent conversation You Can't Ask That! Banned Questions About Jesus Introduction

In the digital age, access to information has become easier than ever before. The ability to download Banned Questions About Jesus has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Banned Questions About Jesus has opened up a world of possibilities. Downloading Banned Questions About Jesus provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Banned Questions About Jesus has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Banned Questions About Jesus. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Banned Questions About Jesus. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Banned Questions About Jesus, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Banned Questions About Jesus has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of

continuous learning and intellectual growth.
