The Works of Jonathan Edwards Jonathan Edwards, Tryon Edwards, 1854 *Lectures on Christian Theology* Georg Christian Knapp, 1859

Inner Grace Phillip Cary, 2008-03-26 This book is along with *Outward Signs* OUP 2008 a sequel to Phillip Cary's *Augustine and the Invention of the Inner Self* OUP 2000 In this work Cary traces the development of Augustine's epochal doctrine of grace arguing that it does not represent a rejection of Platonism in favor of a more purely Christian point of view a turning from Plato to Paul as it is often portrayed Instead Augustine reads Paul and other Biblical texts in light of his Christian Platonist inwardness producing a new concept of grace as an essentially inward gift For Augustine grace is needed first of all to heal the mind so it may see God but then also to help the will turn away from lower goods to love God as its eternal Good Eventually over the course of Augustine's career the scope of the soul's need for grace expands outward to include not only the inner vision of the intellect and the power of love but even the initial gift of faith At every stage Augustine insists that divine grace does not compromise or coerce the human will but frees heals and helps it precisely because grace is not an external force but an inner gift of delight leading to true happiness As his polemic against the Pelagians develops however he does attribute more to grace and less to the power of free will In the end it is God's choice which makes the ultimate difference between the saved and the damned and we cannot know why he chooses to save one person and not another From this Augustinian doctrine of divine choice or election stem the characteristic pastoral problems of predestination especially in Protestantism A more external indeed Jewish doctrine of election would be more Biblical Cary suggests and would result in a less anxious experience of grace Along with its companion work *Outward Signs* this careful and insightful book breaks new ground in the study of Augustine's theology of grace and sacraments
