Booking a First Gig A. R. Schaefer, 2004 Describes the steps bands take to book a first gig including making contacts finding locations and tips making gigs successful **A History of Hip-Hop** Thomas Hatch, 2005-07 Describes the history of rap music and the hip hop culture *Equipping a Band* A. R. Schaefer, 2003-08 Guitars drum sets amplifiers microphones and more Discover how band members choose equipment to suit their style Learn about features of the equipment as well as price ranges accessories and brand names Find just what you need to start jamming Book jacket **Rockin' the Free World!** Sean Kay, 2016-12-29 In Rockin the Free World international relations expert Sean Kay takes readers inside Bob Dylan s America and shows how this vision linked the rock and roll revolution to American values of freedom equality human rights and peace while tracing how those values have spread globally Rockin the Free World then shows how artists have engaged in advancing change via opportunity and education domestic and international issue advocacy and within the recording and broader communications industry The book is built around primary interviews with prominent American and international performing artists ranging from Rock and Roll Hall of Fame inductees and Grammy winners to regional and local musicians The interviews include leading industry people management journalists heads of non profits and activists The book concludes with a look at how musical artists have defined the American experience and what that has meant for the world The Rolling Stones Heather Miller, 2011-01-01 A biography of British rock band the Rolling Stones Provided by publisher The Routledge Companion to Popular Music History and Heritage Sarah Baker, Catherine Strong, Lauren Istvandy, Zelmara Cantillon, 2018-05-16 The Routledge Companion to Popular Music History and Heritage examines the social cultural political and economic value of popular music as history and heritage Taking a cross disciplinary approach the volume explores the relationship between popular music and the past and how interpretations of the changing nature of the past in post industrial societies play out in the field of popular music In depth chapters cover key themes around historiography heritage memory and institutions alongside case studies from around the world including the UK Australia South Africa and India exploring popular music s connection to culture both past and present Wide ranging in scope the book is an excellent introduction for students and scholars working in musicology ethnomusicology popular music studies critical heritage studies cultural studies memory studies and other related fields *Memory, History, Nation* Susannah Radstone, 2017-09-04 In the last decade a focus on memory in the human sciences has encouraged new approaches to the study of the past As the humanities and social sciences have put into question their own claims to objectivity authority and universality memory has appeared to offer a way of engaging with knowledge of the past as inevitably partial subjective and local At the same time memory and memorial practices have become sites of contestation and the politics of memory are increasingly prominent This inter disciplinary volume demonstrates from a range of perspectives the complex cultural work and struggles over meaning that lie at the heart of what we call memory The chapters in this volume offer a complex

awareness of the workings of memory and the ways in which different or changing histories may be explained They explore the relation between individual and social memory between real and imaginary event and fantasy history and myth Contradictory accounts or memories in direct contradiction to the historical record are not always the sign of a repressive authority attempting to cover something up The tension between memory as a safeguard against attempts to silence dissenting voices and memory's own implication in that silencing runs throughout the book Topics covered range from the Basque country to Cambodia from Hungary to South Africa from the Finnish Civil War to the cult Jim Jarmusch movie *Dead Man* from the Rock and Roll Hall of Fame to Australia Part I Transforming Memory is concerned primarily with the social and personal transmission of memory across time and generations Part II Remembering Suffering Trauma and History brings the after effects of catastrophe to the fore Part III Patterning the National Past the relation between nation and memory is the central issue Part IV And Then Silence reflects on the complex and multiple meaning of silence and oblivion wherein amnesia is often used as a figure for the denial of shamefu
