on them *The Wolves of Alaska* Jim Rearden,2014-04-04 Jim Rearden is Alaska's most popular outdoors journalist. He holds two degrees in wildlife management and was Professor of Wildlife Management at the University of Alaska Fairbanks 1950-54. As a member of the Alaska Board of Game 1975-82, he helped develop the Tanana Flats wolf control program. He details with historical accuracy the controversy that erupted when the 1975 program was announced. Counterpointing the modern controversy, Rearden includes exciting segments of his best-selling Alaska's Wolf Man, the story of Frank Glaser, Alaska's full-time government wolf hunter who hunted wolves in the Territory of Alaska 1915-1955. Alaska's wolves are the main characters in this historically and biologically accurate recounting. Included are vivid anecdotes about wolves with descriptions of their behavior and way of life, examples of their intelligence and expressions of appreciation for their charm and beauty, as well as an honest look at their savage efficiency as predators and relationship to urban and rural Alaskans.

Raised By Wolves Laura D Correa,2025-01-30 Being raised by normal wolves was something that never happens to werewolves, but what happens when you are taken away from your parents and abandoned in the forest, only to be found by normal wolves and raised by their pack? As years pass, you know nothing of what you really are until your pack crosses the border of werewolf territory as your pack is moving to find new lands to live in. What would you do if the pack lands you? Crossed are those of the people you once belonged to, not knowing about it as your pack stops at a lake to get something to drink before you continue on your way and are surrounded by several wolves the same size as you and not know how to react or act in that matter. When you see them get near the only family you know, you take a fighting stand to protect your adoptive family as you have done since the day your adoptive father did. Will you allow yourself to be taken from the only family you know or are you going to fight and leave with the family you have known for several years? Follow me on my journey to finding my true self, raised by a pack of regular, normal wolves.

The Wolf Within Sondrae Bennett,2011-11-21 Alpine Woods Shifters 3 Will his love be enough to keep her safe? Julie doesn't know what to think when the man she's had a crush on her entire life, a man she thinks is meant to be her sister's mate, starts flirting with her after she returns home from college. The harder she tries to distance herself, the harder he works to win her over. He can't want to mate with her, a freak born a full human among shifters. So why won't he accept her rejection? Brendan's waited years for Julie's return. Now that she's finally home, there's nothing to keep him from her, not even her three alpha wolf brothers. But he's not the only one. After Julie, something is stalking her, and Brendan's protective instincts toward her kick in, but at what cost? When the unthinkable happens, will Julie and Brendan's love give them the strength they need to persevere? 35,000 Words **Honey Heat (Sin & Steel 9)** Lynn Hagen,2025-08-23 Siren Publishing The Lynn Hagen ManLove Collection Erotic Romance Contemporary Alternative Paranormal Werewolves Shape Shifters Suspense MM HEA Ethan McCade never expected to wake up in a wolf clinic, battered and broken, with no memory of how he got there. The last thing he recalls is being dragged from his truck, then nothing but fragments of pain and cold metal tables. When a handsome wolf shifter with dark eyes and gentle hands finds him,

barely alive Ethan's world tilts There's something about Lucio that calms his bear something that makes him feel safe for the first time since his nightmare began Lucio Alcaraz was just checking security cameras when he discovered the tortured bear shifter One look at those frightened hazel eyes and his wolf chooses Ethan as his mate But Ethan carries dangerous secrets about who hurt him and what they want from the shifters With Deputy Gilmore targeting the pack and enemies closing in Lucio will need every skill he possesses to protect the vulnerable bear who's awakened something fierce inside him Lynn Hagen is a Siren exclusive author

Love Potion for the Alpha Alice Coldbreath, 2014-09-13 Jorah Mallon Garth medieval warrior and Alpha of the Varkash wolf pack seeks a human bride who will do his bidding Lady Isolde Merrell is pretty but altogether too plump to be noticed when her beautiful younger sister is around In desperation she douses herself with a lust potion to snare the attentions of returning warrior Jorah who has just completed three years soldiering for the Crown Suddenly she finds herself wedded and bedded by the Alpha male of the Varkash pack and bound for the Winterlands Jorah is tired of battle and vows to find a biddable human wife to take home with him Once they arrive he is determined to impose order on his troublesome wolf pack Isolde's curvaceous charms have him panting with need from the start Her lush warm body promises him things he has never even dreamed of possessing a true mate of his heart But his new bride proves to have hidden mettle as she challenges him on his long held beliefs and soon has his pack realising she truly is their Alpha's mate Even if he still needs convincing she is equal to the task Please be warned this is a full length hot BBW romance novel featuring a werewolf Alpha with steamy situations and strong explicit language If you prefer things on the tamer side this is probably not the novel for you
