Alphabet Sisters Monica McInerney:

The Alphabet Sisters Monica McInerney, 2015-04 Three estranged sisters meeting up for their grandmother's 80th birthday are each concealing the truth of their private lives from the others. During rehearsals for a party piece, family secrets are revealed and resolved, and their fragile bond is tested again when it emerges that one of the sisters is dying. *The Alphabet Sisters* Monica McInerney, 2005-05-17 As girls growing up in Clare Valley, Australia, Anna Bett and Carrie Quinlan were childhood singing stars known as The Alphabet Sisters. The unbridled enthusiasm of their flamboyant grandmother Lola was the glue that held them together. As adults, though, the women haven't spoken in years ever since Bett's fiancé deserted her to marry the younger Carrie. Now Lola is turning eighty and she is determined to reunite the girls for a blowout bash. And no one ever says no to Lola. Bett, who fled to London after the scandal of losing her fiancé, is hesitant to face her sisters and her hometown, especially since she has yet to find another man. Sophisticated Anna, the eldest sister, isn't too keen on the prospect either, though she's secretly grateful for any excuse to leave her crumbling marriage behind in Sydney. And Carrie, who remained in Clare Valley, is perhaps the most apprehensive. Her marriage, the nominal cause of the sisters' estrangement, is also on the rocks. Was she wrong to have followed her heart and run off with Bett's fiancé? When Lola shares her special request that the girls stage a musical she has written, their short visit becomes a much longer commitment. As they are forced to spend more time together, the sisters must confront the pain that lingers between them. Preconceptions and misunderstandings are slowly put aside, and the three find themselves gradually irresistibly enveloping one another once again. Until an unexpected turn of events changes everything in ways none of them could have ever imagined. Layering the lighthearted antics of small town life with a heartbreaking story of loyalty lost and found, *The Alphabet Sisters* is an unforgettable story of two generations of women who learn that being true to themselves means being true to one another. **BONUS** This edition contains excerpts from Monica McInerney's *Lola's Secret*, *At Home with the Templetons*, *The Faraday Girls*, *Family Baggage*, *Greetings from Somewhere Else*, and *Upside Down Inside Out*. *The Alphabet Sisters Special Edition* Monica McInerney, 2011-07-27 Includes sneak preview of Monica's new book *Lola's Secret*. By the bestselling author of *At Home with the Templetons*, Sisters are always there for each other, aren't they? Anna Bett and Carrie were childhood singing stars, the Alphabet Sisters. As adults, they haven't spoken for years. Not since Bett's fiancé left her for another sister. Now Lola, their larger-than-life grandmother, summons them home for a birthday extravaganza and a surprise announcement. But just as the rifts begin to close, the Alphabet Sisters face a test none of them ever imagined. An unforgettable story of three women who learn that being true to themselves means being true to each other. Tender and well observed, there is also plenty of McInerney's trademark wit, but have the hankies ready for this, probably her best novel yet. Irish Independent. McInerney is a dab hand at getting her characters exactly right. They are utterly believable, often loveable, and familiar. West Australian. A gentle and life-affirming story. We come away feeling better about the world and maybe just a little more tender towards
