Aslans Call Finding Our Way To Narnia:

Aslan's Call Mark Eddy Smith, 2005-01-01 I m told there is a lion who wants to meet with me I am told that he is fierce and unpredictable and very large I have known about him for most of my life and at times I ve believed I caught a glimpse of his shadow but I have yet to actually meet him face to face His name is Aslan and it s possible that you ve heard of him C S Lewis has created a wonderful place a place where anything can happen Even the stones can talk In Aslan s Call Mark Eddy Smith shows you how in this fanciful world you can discover the truest reality In the children who travel to Narnia you can find yourself In Aslan you can find Christ And in the place of Narnia you can find the very adventure for which God made you

Christian Popular Culture from The Chronicles of Narnia to Duck Dynasty Eleanor Hersey Nickel, 2021-05-13 Christian popular culture has tremendous influence on many American churchgoers When we have a choice between studying the Bible and reading novels downloading movies or watching television we become less familiar with Numbers than with Narnia This book examines popular Christian narratives with rigorous scholarly methods and assumes that they are just as complex fascinating and worthy of investigation as the latest secular Netflix series or dystopian novel While most scholars focus on the religious aspects of Christian texts this study takes a new approach by analyzing their social responsibility in portraying the complex dynamics of race class and gender in a profoundly unequal America Close readings of six case studies The Chronicles of Narnia Francine Rivers s Redeeming Love Jan Karon s Mitford novels Left Behind the films of the Sherwood Baptist Church and Duck Dynasty uncover both harmful stereotypes and Christians serving as leaders in social justice **C.**

S. Lewis and the Inklings Jason Fisher, Mark Hall, Salwa Khoddam, 2015-09-18 This is a unique collection of two of the Inklings and their literary associates views on the negative impacts of technology in various areas of life and the resolution of these impacts through fellowship with others and faith in the Creator Some of these essays offer suggestions on how ensnarement by social media and surrender to modern technology can be countered by surrender to God Other essays also demonstrate how the significant literary craft of these authors can enchant readers and invite them into fairylands from which they return empowered and with a keener spiritual vision to tackle universal and present concerns The Surprising Imagination of C. S. Lewis Jerry Root, Mark Neal, Root, 2015-09-01 Narnia Perelandra places of wonder and longing The White Witch Screwtape personifications of evil Aslan a portrait of the divine Like Turkish Delight some of C S Lewis s writing surprises and whets our appetite for more But some of his works bite and nip at our heels What enabled C S Lewis to create such vivid characters and compelling plots Perhaps it was simply that C S Lewis had an unsurpassed imagination Or perhaps he had a knack for finding the right metaphor or analogy that awakened readers imaginations in new ways But whatever his gifts no one can deny that C S Lewis had a remarkable career producing many books in eighteen different literary genres including apologetics autobiography educational philosophy fairy stories science fiction and literary criticism And while he had and still has critics Lewis works continue to find devoted readers The purpose of this book is to introduce C S Lewis

through the prism of imagination For Lewis imagination is both a means and an end And because he used his own imagination well and often he is a practiced guide for those of us who desire to reach beyond our grasp Each chapter highlights Lewis s major works and then shows how Lewis uses imagination to captivate readers While many have read books by C S Lewis not many readers understand his power to give new slants on the things we think we know More than a genius Lewis disciplined his imagination harnessing its creativity in service of helping others believe more deeply Truly fresh rhetorically astute works about C S Lewis are rare but this provocative new volume by Jerry Root and Mark Neal emerges at just the right time to reinvigorate Lewis scholarship beyond the clichés we continue to repeat to each other The Surprising Imagination of C S Lewis delivers just that salvo an ingenious empathetic lavishly informed elucidation of Lewis s understanding of the life of the imagination Bruce L Edwards Professor Emeritus of English and Africana Studies Bowling Green State University Bowling Green OH Our grasp of imagination is such a pale and paltry thing Neal and Root offer a much needed corrective by illustrating Lewis s robust use of the word The happy result is a more accurate and nuanced reading of Lewis But there is more through their careful work we are graced with a rich new vocabulary to discern and describe the many uses of creative imagination all around us Diana Pavlac Glyer Professor of English at Azusa Pacific University Azusa CA author of The Company They Keep C S Lewis and J R R Tolkien as Writers in Community This fabulous book on Lewis s imagination will delight readers new to Lewis and those who like the authors have been reading him for decades It shimmers with the joy of exploration and discovery The Surprising Imagination of C S Lewis is a reliable and inspiring guide not only to Lewis but to a treasure trove of imaginative books that fired Lewis s own imagination In Robert Frost s delightful phrase this book is the occasion for a fresh think Wayne Martindale Emeritus Professor of English Wheaton College Wheaton IL Jerry Root and Mark Neal make excellent use of Lewis s literary criticism of other authors to show how he employed different varieties of imagination in his own works The result is a good book about Lewis and an even better one on the capacity of imagination to enrich each of our lives every day Mark Noll Francis A McAnaney Professor of History University of Notre Dame Notre Dame IN For nearly four decades I have been reading books and articles in the field of Lewis studies This volume is one of the most original and fascinating books on Lewis to appear in a long time Lyle W Dorsett Billy Graham Professor of Evangelism Beeson Divinity School Samford University Birmingham AL

Reasoning beyond Reason

Jeff Sellars, 2011-01-01 There is a seeming dichotomy in C S Lewis s writing On the one hand we see the writer of argumentative works and on the other hand we have the imaginative poet Lewis also found this dichotomy within himself When he was a rationalist and atheist he found that these two sides of him were pulling in different directions he believed that his rationalist side could not be reconciled with his imaginative side Once he became a Christian he eventually found a means of marrying the two principally through story and myth Within C S Lewis studies there is also a common conception of Lewis as a modern rationalist philosopher i e a rationalist who thinks arguments and his arguments in particular are the last

answer on the questions he undertakes Reasoning beyond Reason attempts to take this view to task by placing Lewis back into his pre modern context and showing that his sources and influences are classical ones In this process Lewis is viewed through the idea that imagination and reason are connected in an intimate way they are different expressions of a single divine source of truth and there is an imagination already present upon which reason works Lewis s transpositional view of imagination implicitly pushes towards a somewhat radical position the imagination is to be seen as theological in its reliance upon something more than the merely material it necessarily relies on a transcendent funding for its use and meaning In other words the imagination is a well source for what we might normally label rational **The Publishers Weekly** ,2005
