Walton,Kim E. Walton,2010-09-03 How do Sunday school teachers lead children

through the stories of Cain and Abel or Judas's betrayal in a way that reflects the authority of Scripture. Sunday school curricula often glosses over difficult lessons or focuses too much on characters in Bible stories neglecting God's self-revelation in Scripture. John and Kim Walton have created this handbook for 175 Bible stories to assist teachers and parents in knowing what each story teaches and how to present it in a God-centered way. As they work their way through the Bible, the Waltons examine seven elements in each story: focus, theme, application, place in the Bible, interpretational issues, historical and cultural background, and age group appropriateness. The Bible Story Handbook includes introductory articles on why we teach the Bible, right and wrong ways to use the Bible, and ends with a two-year teaching plan. Every parent and Sunday school teacher will find this unique resource to be invaluable in teaching children to know and love God.

Revelation: Removing the Prophetic Veil Bible Lesson 2 K L Rich, 2017-06-14 Revelation is one of the most controversial books of the Bible. Some people love its prophetic writings while others reject its end-time connotation. John, an apostle of Christ, was given this prophetic word to give to the seven churches of Asia Minor. A blessing was pronounced over all who read and understand it. In this 2nd lesson, you will understand the message God gave to John concerning the seven churches' spiritual condition in Asia Minor and how these same messages can be used to help the Body of Christ today. May God bless you and open your heart to what He has to say to the church.
