And Paper Son Jason Buchholz:

A Paper Son Jason Buchholz, 2016-01-01 Grade school teacher and aspiring author Peregrine Long sees a Chinese family on board a ship in his morning tea. The image inspires him to write the story of this family but then a woman turns up at his door claiming that he's writing her family history exactly as it happened. She doesn't like it but she has one question: What happened to the little boy of the family, her long lost uncle? Throughout the course of a month-long tempest that begins to wash the peninsula out from beneath them, Peregrine searches modern-day San Francisco and its surroundings and through his continued writing, southern China and the Pacific immigration experience of a century ago for the missing boy. The clues uncovered lead Peregrine to question not only the nature of his writing but also his knowledge of his own past and his understanding of his identity.

The Cartographer of Sands Jason Buchholz, 2025-10-14 Traveling across the landscapes of California, two brothers, a recent parolee and a Berkeley professor, go in search of their teenage sister who has vanished, looking for the reasons why she left home. High in the hills of Berkeley, California, a father summons his two sons, Leonardo, a biology professor, and Gabriel, a recent parolee, and tasks them with locating their seventeen-year-old sister, Lenore, who has vanished, leaving a two-word note that simply reads "I'm okay." The meeting is scored by furious rehearsing from the downstairs conservatory. Peoria, the family matriarch, a world-class pianist with a tenuous grip on reality, is preparing for an important concert engagement. The brothers' quests carry them in opposite directions: one northward to the Oregon border, the other southward to the Mexican border, as they search the length of California not just for their sister but for the reasons why she left home, reasons that will lead them into the heart of their mysterious family vocation of powerful healers. In lyrical and precise prose, Buchholz richly conjures the landscapes of the West, weaving touches of magical realism and deft humor in a poignant and atmospheric exploration of family magic and the meaning of connection.
