

The background of the book cover is a traditional Chinese ink and wash painting depicting a tea ceremony. On the left, a woman in a brown and green robe is seated, leaning over a low table and pouring tea from a small vessel into a cup. On the right, another woman in a grey and red robe stands, holding a tray. The table is set with various tea-related items, including a large white bowl, a small teapot, and several cups. The overall style is characteristic of classical Chinese art.

And Rise Tea Culture China Perspectives:

The Rise of Tea Culture in China Bret Hinsch, 2015-11-12 This distinctive and enlightening book explores the invention and development of tea drinking in China using tea culture to explore the profound question of how Chinese have traditionally expressed individuality Western stereotypes portray a culture that values conformity and denigrates the individual but Bret Hinsch convincingly explodes this facile myth He argues that although Chinese embrace a communitarian ethos and assume that the individual can only thrive within a healthy community they have also long respected people with unique traits and superior achievements Hinsch traces how emperors scholars poets and merchants all used tea connoisseurship to publicly demonstrate superior discernment gaining admiration by displaying individuality Acknowledging central differences with Western norms Hinsch shows how personal distinction nevertheless constitutes an important aspect of Chinese society By linking tea to individualism his deeply researched book makes an original and influential contribution to the history of Chinese culture

Perspectives on Modern China Kenneth Lieberthal, 1991 The conveners the editors of this book of the September 1989 Four Anniversaries China Conference in Annapolis asked the contributors to look back from that point in time to consider four major events in modern Chinese history in the perspective of the rapid changes that were shaping the Chinese society economy polity and sense of place in the world in the 1980s a time when China was making rapid strides toward becoming more integrated with the outside world With contributions by distinguished scholars in the field the four anniversaries considered are the High Qing the May Fourth Movement forty years of communism in China and ten years of the Deng era

China's Route Heritage Gary Sigley, 2020-11-09 China's Route Heritage examines the creation development and proliferation of the route heritage discourse of the Ancient Tea Horse Road Chamagudao in the People's Republic of China Examining the formation of the tea horse road as a concept its development as a platform for cultural branding and its most recent interactions with the policy of the Belt and Road Initiative BRI and the revival of the discourse on the Silk Roads the book demonstrates that the tea horse road is an important part of the discourse on Chinese modernity Describing the route heritage of the tea horse road as a mobility narrative whereby an ancient route is used to form a narrative of ethnic unity and cooperation the book demonstrates that the study of such heritage offers unique insights into issues that are of concern to the wider field of critical heritage studies Sigley also shows how the study of alternative route heritage enables us to gain a broader sense of route heritage discourse and its implications for the discussion of historical present and future forms of mobility and connectivity within China and beyond its borders China's Route Heritage should be of interest to researchers and postgraduate students who are engaged in the study of heritage China the Silk Roads and the BRI politics international relations and tourism

China's Development from a Global Perspective María Dolores Elizalde, Wang Jianlang, 2017-11-06 For a long time the idea of China as a culture and society which was voluntarily secluding itself from the rest of the world was dominant But in reality China has always been part of the world just as the world has

always sought to penetrate China The relationship between China and the world was in the past sometimes smooth and at other times it was difficult but nevertheless the bond remained alive This collection presents an analysis of China from a global perspective within a broad temporal and spatial spectrum It reveals the early relations established between the Roman Empire and China the dynamics developed with the countries of the Indian Ocean Southeast Asia and Japan and the gradual path of Europeans and Americans towards China The book reviews the development of diplomatic relations the signing of agreements and alliances and the rise and resolution of conflicts It also analyses the forging of economic relations the establishment of commercial exchanges and the creation of companies professional bodies and institutions of collaboration
