that no group is superior to another But remarkably all of America s most successful groups believe even if they don t say so aloud that they re exceptional chosen superior in some way Americans are taught that self esteem feeling good about yourself is the key to a successful life But in all of America s most successful groups people tend to feel insecure inadequate that they have to prove themselves America today spreads a message of immediate gratification living for the moment But all of America s most successful groups cultivate heightened discipline and impulse control But the Triple Package has a dark underside too Each of its elements carries distinctive pathologies when taken to an extreme they can have truly toxic effects Should people strive for the Triple Package Should America Ultimately the authors conclude that the Triple Package is a ladder that should be climbed and then kicked away drawing on its power but breaking free from its constraints Provocative and profound The Triple Package will transform the way we think about success and achievement Book of Mormon Teacher Manual ,2009 Religion 121 122 This manual is a resource to help seminary teachers prepare lessons from the scriptures It provides 160 lessons that contain teaching suggestions doctrines and principles and scripture mastery helps In addition there are 32 lessons for teacher of home study classes that correspond to The Book of Mormon Study Guide for Home Study Seminary Students
