

The book cover features a close-up portrait of a woman with long, wavy brown hair. She is looking directly at the camera with a neutral expression. A vertical surgical scar is visible on her upper chest, which she is gently holding with both hands. The title 'SICK GIRL' is printed in large, white, serif capital letters across the middle of the cover. The author's name 'AMY SILVERSTEIN' is at the bottom in smaller, white, serif capital letters. There are two circular callouts: one on the left with a quote from LARRY KING and another at the bottom with a quote from TED KOFFAL.

And Sick Girl Amy Silverstein:

Sick Girl Amy Silverstein, 2008-10-13 This shockingly frank and irreverent memoir of a young woman's life with a heart transplant will inspire and choke you up with tears and laughter Larry King At twenty four Amy Silverstein was your typical type A law student smart driven and highly competitive With a full course load and a budding romance it seemed nothing could slow her down Until her heart began to fail With a grace and force reminiscent of Lucy Grealy's *Autobiography of a Face* or Susanna Kaysen's *Girl Interrupted* Amy chronicles her medical saga from the first misdiagnosis to her astonishing and ongoing recovery Her memoir is made all the more dramatic by the deliriously romantic bedside courtship with her future husband and her uncompromising desire to become a mother Distrustful of her doctors and insistent in her refusal to be the grateful heart patient she is expected to be Amy presents a patient's perspective that is truly eye opening and even controversial Amy's shocking honesty and irreverent humor allow the reader to live her nightmare from the inside an unforgettable experience that is both painfully disturbing and utterly compelling

My Glory Was I Had Such Friends Amy Silverstein, 2017-06-27 In this moving memoir about the power of friendship and the resilience of the human spirit Amy Silverstein tells the story of the extraordinary group of women who supported her as she waited on the precipice for a life saving heart transplant Nearly twenty six years after receiving her first heart transplant Amy Silverstein's donor heart plummeted into failure If she wanted to live she had to take on the grueling quest for a new heart immediately A shot at survival meant uprooting her life and moving across the country to California When her friends heard of her plans there was only one reaction I'm there Nine remarkable women Joy Jill Leja Jody Lauren Robin Valerie Ann and Jane put demanding jobs and pressing family obligations on hold to fly across the country and be by Amy's side Creating a calendar spreadsheet the women some of them strangers to one another passed the baton of friendship one to the next and headed straight and strong into the battle to help save Amy's life Empowered by the kind of empathy that can only grow with age these women each knowing Amy from different stages of her life banded together to provide her with something that medicine alone could not Sleeping on a cot beside her bed they rubbed her back and feet when the pain was unbearable adorned her room with death distracting decorations and engaged in their best talks ever They saw the true measure of their friend's strength and they each responded in kind *My Glory Was I Had Such Friends* is a tribute to these women and the intense hours they spent together hours of heightened emotion and self awareness where everything was laid bare Candid and heartrending this once in a lifetime story of connection and empathy is a powerful reminder of the ultimate importance of showing up for those we love

Scott,2011-08-16 In 2002 author Grace J Scott began to receive channeled material from the beyond and to publish the results This latest book of such material was delivered by souls selected by Creator to deliver His messagethat He is the origin of all that isto the world All of creation began with a cell of Creator and this single individual cell of His energy contains an exact copy of His DNA and cell memory That is how we are all connectedhow we are all one Beyond Cell Memory presents the channeled material in simple language so that all who read it may understand such mysteries as how souls and bodies were created As humans evolved physically our form size and intellect were enhanced by beings of higher intellect and spiritual vibration from other universes these same beings are now surrounding and protecting Earth Famous peopleDr Sigmund Freud Carl Jung and Edgar Caycechanneled material that covers dreams homosexuality abortion and suicide Isaac Newton and Galileo Galilei channeled material that suggests that DNA and cell memory connect us to souls of other universes and the Creator of all that is What we as souls do on our planet is known by and impacts other planets containing souls Each soul contains DNA and cell memory from Creator and this same soul exists regardless of the number of lives lived With imminent cataclysmic Earth changes we must learn how to clear our cell memory of trauma **Pulse of My Heart** Brian O'Mara-Croft,Patricia O'Mara-Croft,2012-10-02 Patty O Mara Croft s widowmaker heart attack was a cruel assault on her body threatening the happiest years of her life Originally misdiagnosed as a panic attack common among women who suffer heart attacks Patty s heart suffers permanent damage and her precarious condition threatens to raze all joy and hope between Patty and her husband Brian In a recounting both informative and inspirational heartbreaking and funny Patty and Brian share their stories from their own unique perspectives the first person account of painful revelations and medical struggles and a loved one s experience of despair hope and renewal Families in medical crisis are getting sucker punched every day and need help from

those who overcame it and emerge stronger than before The dual voice of both authors represents a love that flourishes even as Patty's health weakens and is no longer a viable candidate for a heart transplant Pulse of My Heart is part medical mystery part comedy of errors part family drama and an enduring love story The field notes at the back of the book focus on The sometimes strained relationship between doctors and patient Preparing for anticipatory grief The potential for addiction when narcotics are part of the drug protocol Dealing with familial strife during a time of need Struggling with others prayers when one's own faith is strained Trying to maintain some level of dignity in an utterly undignified environment Finding ways to be an effective parent in a blended family when illness demands so much attention **Cross My Heart** Megan

Collins, 2015-01-14 From Megan Collins a twisty and terrific The New York Times novel about a heart transplant patient who becomes romantically obsessed with her donor's husband She has his wife's heart the one she wants is his Rosie Lachlan wants nothing more than to find The One A year after she was dumped in her wedding dress she's working at her parents' bridal salon anxious for a happy ending that can't come soon enough The recipient of a life-saving heart transplant Rosie knows her health is precious and precarious She suspects her heart donor is Daphne Thorne the wife of local celebrity author Morgan Thorne who she begins messaging via an anonymous service called DonorConnect ostensibly to learn more about Daphne But Rosie has a secret She's convinced that now that she has his wife's heart she and Morgan are meant to be together As she and Morgan correspond the pretense of avoiding personal details soon disappears but as she digs deeper into Morgan's previous marriage she discovers disturbing rumors about the man she's falling for Could Morgan have had something to do with his late wife's death And can Rosie's heart sustain another break or is she next **Struck** Douglas

Segal, 2018-09-28 One of life's biggest clichés becomes a horrific reality when Douglas Segal's wife and young daughter are hit head on by a Los Angeles city bus Miraculously his daughter was unharmed but his wife faced a series of life-threatening injuries including the same one that famously left Christopher Reeve paralyzed Following the accident Segal began sending regular email updates to their circle of friends and family a list that continued to grow as others heard of the event and were moved by the many emotional and spiritual issues it raised Segal's compelling memoir is an intimate and honest chronicle built around these email updates and is a profound example of how people show up for one another in times of crisis Alternatingly harrowing humorous heartbreaking and hopeful this is an uplifting tribute to love determination and how the compassion of community holds the power to heal serving as an inspiring testament to the resilience of the human spirit when faced with pain and adversity The Writer's Market, 1997
