That Gets Better Age:

Better with Age Dr. Alan D. Castel, 2018-08-01 Age is an important number but it can also be deceiving After 40 most people say they feel younger than their years some lie about their age and many attempt to hide the signs of growing old Better with Age addresses the many myths and paradoxes about the aging process Although most people think of their later years in terms of decline they can be one of the best times in life This book presents the latest scientific research about the psychology of aging coupled with insights from those who have succeeded in doing it well such as Maya Angelou Bob Newhart Jared Diamond John Glenn and John Wooden We are all aging and many people are concerned about what to expect with advancing years Retirement happiness and brain health are some of the many topics covered in this book Better with Age shows what we can do now at any stage in life to make sure we enjoy old age Roctogenarians Mo Rocca, Jonathan Greenberg, 2024-06-11 From beloved CBS Sunday Morning correspondent Mo Rocca author of New York Times bestseller Mobituaries comes an inspiring collection of stories that celebrates the triumphs of people who made their biggest marks late in life Eighty has been the new sixty for about twenty years now In fact there have always been late in life achievers those who declined to go into decline just because they were eligible for social security Journalist humorist and history buff Mo Rocca and coauthor Jonathan Greenberg introduce us to the people past and present who peaked when they could have been puttering breaking out as writers selling out concert halls attempting to set land speed records and in the case of one ninety year tortoise becoming a first time father Take that Al Pacino In the vein of Mobituaries Roctogenarians is a collection of entertaining and unexpected profiles of these unretired titans some long gone a cancer stricken Henri Matisse who began work on his celebrated cut outs when he could no longer paint some very much still living Mel Brooks yukking it up at close to one hundred The amazing cast of characters also includes Mary Church Terrell who at eighty six helped lead sit ins at segregated Washington DC lunch counters in the 1950s and Carol Channing who married the love of her life at eighty two Then there s Peter Mark Roget who began working on his thesaurus in his twenties and completed it at seventy three because sometimes finding the right word takes time With passion and wonder Rocca and Greenberg recount the stories of yesterday s and today s strongest finishers Because with all due respect to the Golden Girls some people will never be content sitting out on the lanai PS Actress Estelle Getty was sixty two when she got her big break And yes she s in the book

Gender, Sexuality and Race in the Digital Age D. Nicole Farris, D'Lane R. Compton, Andrea P. Herrera, 2020-01-01 This book provides a unique analysis of the intersection between gender sexuality race and social media While early scholarship identified the internet as being inherently egalitarian this volume presents the internet as a real social place where inequalities matter and manifest in particular ways according to the architectures of particular platforms This volume utilizes innovative methodologies to analyze how internet users both re inscribe and resist inequalities of gender sexuality and race It describes how the internet has ameliorated and bridged geographic and numerical limits on community formation

and this volume examines how the functioning of social inequalities differs on and offline
