S Similar To Fifty Shades:

Screening Adult Cinema Farrah Freibert, Peter Alilunas, Desirae Embree, 2025-08-29 This collection of 39 original essays is designed to support film screenings. Each chapter focuses on a single adult film, a category broadly construed as films that foreground sex as a primary narrative, aesthetic, or marketing element. The chapters draw on a variety of perspectives, contexts, histories, themes, and politics in examinations of style, genre, authorship, performance, and stardom. The first of its kind, *Screening Adult Cinema* brings together a broad range of established scholars alongside new voices to demonstrate the global breadth and diversity of adult cinema from a variety of time periods and transnational contexts, paying particular attention to regions and films that have been underrepresented within existing adult film scholarship. Following the *Screening Cinema* series, *Screening Adult Cinema* is intended as a teaching text and reference for courses in which film screenings are a core activity while also appealing to adult film scholars. This unique collection will be invaluable for courses on adult or exploitation film history, feminist film studies, global queer cinema, and porn studies. It will also be useful for general courses in media studies with a focus on gender, sex, and sexuality.

Oxford Principles of European Union Law Robert Schütze, Takis Tridimas, 2018 Provides an analysis of the constitutional principles governing the European Union. It covers the history of the EU, the constitutional foundations, the institutional framework, legislative and executive governance, judicial protection, and external relations. Publisher's website.

Introducing the New Sexuality Studies Nancy L. Fischer, Steven Seidman, Chet Meeks, 2016-07-11 *Introducing the New Sexuality Studies* is an innovative reader-friendly anthology of original essays and interviews that introduces the field of sexuality studies to undergraduate students. Examining the social, cultural, and historical dimensions of sexualities, this anthology is designed to serve as a comprehensive textbook for sexualities and gender-related courses at the undergraduate level. The book's contributors include both well-established scholars, including Patricia Hill Collins, Jeffrey Weeks, Deborah L. Tolman, and C. J. Pascoe, as well as emerging voices in sexuality studies. This collection will provide students of sociology, gender, and sexuality with a challenging and broad introduction to the social study of sexuality that they will find accessible and engaging.

Knowledges, Practices and Activism from Feminist Epistemologies Eulalia Pérez-Sedeño, Lola S. Almendros, S. García Dauder, Esther (Mayoko) Ortega Arjonilla, 2019-03-27 *Science, Technology, and Gender Studies (STG)* include the different approaches to feminist epistemologies, their current debates, and also the theoretical analysis of different scientific controversies around cases that involve women's bodies and health, sex, gender, and techno-scientific practices. These studies are linked to the demand for another type of hybrid knowledge that revalorizes the practices, the embodied experience, and care, as well as the subject positions traditionally excluded from the scientific community. The diversity of voices has allowed a plural knowledge in techno-scientific practices to emerge, as well as the identification of gender, class, sexuality, race, functional diversity, inequalities, for example. This has made possible a bioethical reflection which is not understood as abstract, normative.

principles but linked to the practices and lived experience Divided into three parts this edited volume presents original and insightful research on STG from feminist epistemologies The first part addresses fundamental theoretical questions that feminist epistemologies raise and how they confront complex social problems such as gender based violence The second part deals with research practices or processes explicitly showing the relationship between science and policy Finally the third part presents some case studies that show the multidimensionality of the problems and the depth and richness of these analyses The contributions included in the volume present original and in depth research on local case studies within Spain Not only challenging the hegemonic and global perspectives on different issues this volume also opens up and enables discussion of these global narratives This edited volume is a useful tool for researchers and university students in multiple fields such as gender studies feminist epistemologies STS cultural history or transgender studies

Culture and Medicine Rishi Goyal, Arden Hegele, 2022-10-20 Charting shared advances across the emerging fields of medical humanities and health humanities this book engages with the question of how biomedical knowledge is constructed negotiated and circulated as a cultural practice The volume is composed of a series of pathbreaking inter disciplinary essays that bring sociocultural habits of mind and modes of thought to the study of medicine health and patients These juxtapositions create new forms of knowledge while emphasizing the vulnerability of human bodies anti essentialist approaches to biology a sensitivity to language and rhetoric and an attention to social justice These essays dissect the ways that cultural practices define the limits of health and the body from the body's place and trajectory in the world to how bodies relate to one another from questions about ageing and sex to what counts as health and illness Considering how these and other concepts are shaped by a negotiation between medico scientific knowledge and ways of knowing derived from other domains this book provides important new insights into how biomedical frameworks become settled forms for broader cultural understanding

BLACK SUN - the Mythological Background of National Socialism Ian Tinny,Thurston Howell III,American Psychopath Association,Rex Curry, BLACK SUN sheds new light on the sources of Nazi ideology by examining its occult roots in the world of myths symbols and fantasies It traces this development from the writings of various mystics in the early 20th century who propagated the mythology of a superior global ideology whose heroes would fight the forces of moral decadence and greed The book uses rare archival photographs and sources to chronicle how the Nazis used these mythological foundations to develop Nazism as a political religion While BLACK SUN documents the nationalist mystical beliefs that infused National Socialism the book also reveals the disturbing perpetuation of these beliefs among certain political groups today in Germany and worldwide reflecting an ongoing search for salvation inspiration and messianic leaders This eye popping expose juxtaposes the polarization in German national history between an obsession with capturing light in all its symbolic uses in order to battle the darkness of the Others The final lesson that Black Sun implies and what makes it a provocative and interesting book for a number of audiences whether scholars and students of history or iconography is the danger of not knowing one s own history In this sense the title signals not only the recurrent theme of evil throughout history but also the need to shed light upon all its manifestations

Still Reading Romance Josefine Smith,Kathleen W. Taylor Kollman,2025-04-01 In a world that commodifies feminism is adapting romance novels for small and big screen projects and the Romance Writers Association is evolving to a more inclusive representative group it is imperative for researchers to reevaluate the cultural assumptions and gender norming work happening in the romance genre It is time to question the cultural capital of traditional archetypes explore the experience of romance readers and question how romance and cultural studies researchers create quantitative qualitative and mixed methods research This work centers around a data set collected with a revised version of Janice Radway s Reading the Romance survey that will be shared with all the authors of this anthology By having access to this pool authors will have the opportunity to explore different elements of reader experience and cultural norms in romance fiction and potentially reflect on changes since Janice Radway s seminal work The norms and negotiations readers experience while consuming romance is especially interesting as romancelandia becomes a more mainstream part of popular culture with the

popularity of Bridgerton and romance series like Ice Planet Barbarians exploding on BookTok No other book in romance or popular culture studies identifies a data set as the connecting element and to do so creates an exciting opportunity to create a more inclusive study of popular romance offer truly interdisciplinary research on the question of how readers read romance and generate diverse areas of future scholarship This edited volume explores multiple issues in romance fiction based on survey data from real romance readers An updated version of Janice Radway's influential survey looking at romance readers in the early 1980s this time scholars explore romance readers habits and attitudes in the twenty first century Each contributor in this volume uses the same survey data to make unique statements about gender intersectionality popular fiction and popular culture By using a common data set but approaching it from different perspectives this unique volume is able to apply multiple methodologies to the same subject

HITLER: do you self-identify the same as Hitler? SOCIALIST - S means SOCIALISM. Christina Antioch, Etienne de la Boetie², Libertarian Book Club, Almost everyone including every scholar refers to Hitler as Nazi or Fascist and not Socialist Educational Outreach Programs EOPs inspired by Dr Rex Curry's work are the only services that inform ignorant scholars that Hitler self identified as Socialist He did not self identify as Nazi nor as Fascist No one else provides this vital public awareness So if you ever see a sentence like the following one then you know it was from EOPs for Dr Curry's work Hitler didn't call himself Nazi or Fascist he called himself socialist The linguistic EOPs above led to many amazing historical discoveries including revelations about Anne Frank's Diary Adolf Hitler's Mein Kampf Sophie Scholl's White Rose group Joseph Goebbels Der Nazi Sozi Martin Niemöller's verse First They Came For the Socialists the swastika symbol the hexagram Star of David and much more Except for the American Historian Laureate Dr Rex Curry every other historian did not see how the USA's Pledge of Allegiance led to Nazi salutes and Nazi behavior and how the original pledge's use of the military salute led to the Nazi salute Also historians did not see the similar symbolism of Adolf Hitler's NSV SA and SS logos as compared with the logo of Hitler's party the National Socialist German Workers Party Even today only exceptional scholars with extraordinary skills e.g. Dr Curry are able to discern the S letter shape of the NSV's logo The National Socialist People's Welfare in German Nationalsozialistische Volkswohlfahrt The S symbolism is almost as difficult to perceive as in Hitler's Hakenkreuz hooked cross It is as undetectable as in the symbols for the SS and SA Schutzstaffel and Sturmabteilung All historians did not see other than Dr Curry how Hitler used his party's symbol to represent S letter shapes for SOCIALIST Do you not see Professor Curry transformed the culture of India along with Hinduism and Buddhism Before Dr Curry's discoveries Buddhists and Hindus published complaints that Hitler stole their swastika symbol and ruined it and they want to restore respect for their ancient symbol Educational Outreach Programs EOP about Dr Curry's work taught India's commentators that Hitler's symbol was not a swastika and that Hitler never called it a swastika An upheaval occurred among Buddhists and Hindus in their objections Now they proudly assert Hitler called his symbol a Hakenkreuz hooked cross not a swastika It was not the same symbol Dr Curry told us

The Rumor Elin

Hilderbrand, 2015-06-16 A friendship is tested in this thrilling page turner from New York Times bestselling author Elin Hilderbrand. Us Weekly Madeline King and Grace Pancik are best friends and the envy of Nantucket for their perfect marriages, their beautiful kids, their Saturday night double dates with their devoted husbands. But this summer something's changed, and if there's anything Nantucket likes better than cocktails on the beach at sunset, it's a good rumor. And rumor has it that Madeline, a novelist, is battling writer's block with a deadline looming, bills piling up, and blank pages driving her to desperation and a desperately bad decision. And that Grace, hard at work to transform her backyard into a garden paradise, has been collaborating a bit more closely than necessary with her ruggedly handsome landscape architect. As the gossip escalates and they have the possible loss of the happy lives they've worked so hard to create, Grace and Madeline try mightily to set the record straight, but the truth might be even worse than rumor has it.
