S By Nicholas Sparks:

The Wedding Nicholas Sparks, 2003-09-09 In this stunning New York Times bestselling follow up to *The Notebook* a hardworking but distant husband vows to win back the love of his life by looking to Noah and Allie's legendary romance. After thirty years, Wilson Lewis is forced to face a painful truth: the romance has gone out of his marriage. His wife Jane has fallen out of love with him, and it is entirely his fault. Despite the shining example of his in-laws, Noah and Allie Calhoun, and their fifty-year love affair, Wilson himself is a man unable to express his true feelings. He has spent too little time at home and too much at the office, leaving the responsibility of raising their children to Jane. Now his daughter is about to marry, and his wife is thinking about leaving him. But if Wilson is sure of anything, it is this: His love for Jane has only grown over the years, and he will do everything he can to save their marriage. With the memories of Noah and Allie's inspiring life together as his guide, he vows to find a way to make his wife fall in love with him all over again. In this powerfully moving tale of love lost, rediscovered, and renewed, Nicholas Sparks once again brings readers his unique insight into the only emotion that ultimately really matters.

Message in a Bottle Nicholas Sparks, 2000-09-01 In this New York Times bestseller by the author of *The Notebook*, a single mother sets out to find the North Carolina man who sent a message meant for someone else, and the journey may change her life forever. Divorced and disillusioned about relationships, Theresa Osborne is jogging when she finds a bottle on the beach. Inside is a letter of love and longing to Catherine, signed simply "Garrett." Pulled by emotions she doesn't fully understand, Theresa begins a search for this man that will change her life. What happens to her is unexpected, perhaps miraculous: an encounter that embraces all our hopes for finding someone special, for having a love that is timeless and everlasting. Nicholas Sparks chronicles the human heart renewing our faith in destiny and the ability of lovers to find each other, no matter where, no matter when.

Two by Two Nicholas Sparks, 2016-10-04 From a New York Times bestselling author, a single father discovers the true nature of unconditional love after his world is turned upside down. At 32, Russell Green has it all: a stunning wife, a lovable six-year-old daughter, a successful career as an advertising executive, and an expansive home in Charlotte. He is living the dream, and his marriage to the bewitching Vivian is at the center of it. But underneath the shiny surface of this perfect existence, fault lines are beginning to appear. In a matter of months, Russ finds himself without a job or a wife, caring for his young daughter while struggling to adapt to a new reality. Throwing himself into the wilderness of single parenting, Russ embarks on a journey, at once terrifying and rewarding, one that will test his abilities and his emotional resources beyond anything he's ever imagined. When a chance encounter with an old flame tempts him to take a chance on love again, he navigates this new opportunity with trepidation and wonder. With the loyal support of his parents, the wisdom of his older sister Marge, and the hard-won lessons of fatherhood, Russ will finally come to understand the true nature of unconditional love: that it is a treasure to be bestowed, not earned.
