Less of More Chris Nye, 2019-05-21 The US Constitution guarantees the right to the pursuit of happiness But for most Americans what this really means is the pursuit of

more more money more prestige more stuff We've made idols out of innovation growth power and wealth Far from offering us happiness and satisfaction this relentless pursuit of more has only left us exhausted isolated miserable and wondering if there is a better way There is Less of More exposes the American pursuit of more for what it truly is an attempt to satisfy our souls with the temporary instead of the eternal Pastor and writer Chris Nye invites us to consider what a full and abundant life looks like apart from money status and power He exposes the lies inherent in our obsession with growth fame and wealth and calls us to a countercultural life marked by connection obscurity vulnerability and generosity For anyone who has gained the world but lost their soul Less of More offers a compelling path toward a life of true deep lasting satisfaction with Jesus not us at the center of it
