Book Mormon Original Cast Recording:

Singing and Dancing to The Book of Mormon Marc Edward Shaw, Holly Welker, 2016-04-27 One of the most successful shows in Broadway history The Book of Mormon broke box office records when it debuted in 2011 and received nine Tony awards including Best Musical A collaboration between Trey Parker and Matt Stone creators of the show South Park and Robert Lopez Avenue Q the show was a critical success cited for both its religious irreverence and sendup of musical traditions In Singing and Dancing to The Book of Mormon Critical Essays on the Broadway Musical Marc Edward Shaw and Holly Welker have assembled a collection that examines this cultural phenomenon from a variety of perspectives Contributors to this volume address such questions as What made the musical such a remarkable success In what ways does the show utilize established musical theatre traditions and comic tropes but still create something new What religious and cultural buttons does the work push What artistic and social boundaries and the transgressions thereof give the work its edge Another focus in this volume is the official and unofficial Mormon reactions to the musical Because the coeditors and several of the contributors have ties to the Mormon community they offer unique perspectives on the musical's finer points about Mormon doctrine Beyond the obvious appeal to theatre devotees Singing and Dancing to The Book of Mormon will be of interest to scholars of religion sociology theatre and popular culture

millions of listeners between 1949 and 1969 fifteen different original cast albums hit number one on the popular music charts ultimately tallying more weeks at number one than all of the albums by Frank Sinatra Elvis Presley and The Beatles combined The history of Broadway music is also the history of American popular music the technological commercial and marketing forces of communications and media over the last century were inextricably bound up in the enterprise of bringing the musical gems of New York s Theater District to living rooms along Main Streets across the nation Featuring new interviews with Stephen Schwartz Chita Rivera Steve Lawrence and prominent record producers and music critics the story of this commercial and emotional phenomenon is told here in full from the imprimatur of sheet music from Broadway in the early 20th century to the renaissance of Broadway music in the digital age folding in the immense impact of show music on American culture and in the context of the recording industry popular tastes and our shared national identity A book which connects cherished cultural artifacts to the emotional narratives at the core of American popular music Broadway to Main Street How Show Tunes Enchanted America is an ideal companion for all fans of American musical theater and popular music

Broadway in the Box Kelly Kessler,2020 It was as if American television audiences discovered the musical in the early 21st century In 2009 Glee took the Fox Network and American television by storm with the unexpected unification of primetime programming awkward teens and powerful voices spontaneously bursting into song After raking in the highest rating for a new show in the 2009 2010 season Glee would continue to cultivate rabid fans tie in soundtracks and merchandising and a spinoff reality competition show until its conclusion in 2015 Alongside Glee NBC and Fox would crank up musical visibility with the nighttime drama Smash and a string of live musical productions Then came ABC s comedic fantasy musical series Galavant and the CW s surprise Golden Globe darling My Crazy Ex Girlfriend Television and the musical appeared to be a perfect match But as author Kelly Kessler illustrates television had at that point been carrying on a sixty year symbiotic love affair with the musical From Rodgers and Hammerstein s appearance on the first Toast of the Town telecast and Mary Martin s iconic Peter Pan airings to Barbra Streisand s 1960s CBS specials The Carol Burnett Show Cop Rock Great Performances and a string of one off musical episodes of sitcoms nighttime soaps fantasy shows and soap operas television has always embraced the musical Kessler shows how the form is written across the history of American television and how its various incarnations tell the stories of shifting American culture and changing television film and theatrical landscapes She recounts and explores this rich decades long history by traversing musicals stars and sounds from film Broadway and Las Vegas to the small screen
