The Christian Household George Sumner Weaver, 1854 *Christian Marriage Companion* Dr. Sunny

Uwadiae, 2012-08-20 *Christian Marriage Companion* is one of the most comprehensive and authoritative books on the biblical model of marriage and family. It is a blueprint on what an ideal Christian marriage is and how to achieve it. It exhaustively explains the ordinance and covenant of marriage, its central and peripheral purposes, role relationships of man and wife, how to push beyond intimacy into marital unity, hindrances to a happy marriage, how to resolve conflicts, and how to achieve a blissful Christian marriage. It fully examines issues such as same sex marriage, oral sex, use of sex toys, pornography, masturbation, divorce, remarriage, effective communication, forgiveness, adultery, and active listening. With over 300 Bible references and real life examples from marital counselling sessions, the book covers virtually all the knowledge and skills for making a Christian marriage a true success. It is a manual covering all that a person needs to know to bring full healing to their marriage, making the book a veritable alternative to face to face counselling. It reveals striking truths about Christian marriage that will be extremely hard to find elsewhere. These include an in depth analysis of the marriage proclamation, the idea that emotional and spiritual education is the central purpose of marriage, the idea of spiritual divorce, and the idea that Christian marriages aim at a deeper than intimate relationship. *Christian Marriage Companion* is the kind of book you simply place on the shelf for your spouse to read in their own time. They will find it absolutely compelling to read. As they do so, only the stone hearted will resist being reformed by it. Newlywed couples and those looking to improve their marriage would find this book most useful. Although it was written specifically for Christian couples of all denominations, it has great potentials for positively impacting the marriages of non Christians who read it with open minds. The Christian marriage ideals it teaches are unsurpassable and altruistic.

The Self-renewing Congregation Isa Aron, 2002. How can my congregation become more vital? How can we both honor the past and embrace the future? *The Self Renewing Congregation* calls for renewal from within, not without. A renewal that begins with institutional self reflection, proceeds through a process of self engagement, and ends with self generated innovations that can deepen the synagogue congregation as a sacred community. The core of this book offers any congregation seeking this path a compelling and realistic roadmap, a vision and a process that is rooted in applied research and practical experience from the Foreword by Dr. Ron Wolfson, codeveloper Synagogue 2000, author of *Shabbat The Family Guide to Preparing for and Celebrating the Sabbath*, Revitalizing and re imagining the organization of our synagogues takes work. Combining expert advice and experience garnered from congregations throughout North America, *The Self Renewing Congregation* shows us how transformative change is possible. A complete resource full of ideas, information, and support, this is a guide for those of us involved in or interested in energizing our spiritual communities. Isa Aron, founding director of Hebrew Union College's Experiment in Congregational Education (ECE), offers concrete practical information on how to bring about change through collaborative leadership and helps us grow dynamic, successful congregations.
