requisite knowledge and practical guidelines for some of the most common counseling situations Today's rabbis in addition to being spiritual leaders of their congregations are also expected to be competent counselors to members of their community Yet rabbis often feel inadequately prepared for the difficult challenges of their counseling role To many rabbinic counseling appears deceptively simple requiring no more than good intuition fair judgment and sincere empathy Good counseling in reality is a complex process requiring a combination of knowledge skill self awareness and an understanding of human dynamics This groundbreaking book written specifically for community rabbis and religious counselors reflects the wisdom of seasoned professionals who provide clear guidelines and sensible strategies for effective rabbinic counseling

Pastoral Counseling: Where One Encounters the Enormity of God's Love Gerald V. Miller, 2022-08-05 The pastoral counselor brings God's presence to the counseling session The counselor radiates God's enormous unconditional love and forgiveness to the client Clients come in because they are spiritually broken and prey to the allies of darkness: fear of abandonment from God and those they love resentment frustration anxiety and callousness He is the prodigal son Through empathy compassion and counseling skills the pastoral counselor connects them to the God who runs to meet him with joy throws his arms around him kisses him forgives him and makes him psychologically and spiritually whole again by giving him the signet ring The pastoral counselor's role is to facilitate this occurrence

An Introduction to Marriage and Family Therapy Joseph L. Wetchler, Lorna L. Hecker, 2014-08-27 Now in its second edition this text introduces readers to the rich history and practice of Marriage and Family Therapy with 32 professionals from across the US presenting their knowledge in their areas of expertise This blend of approaches and styles gives this text a unique voice and makes it a comprehensive resource for graduate students taking their first course in Marriage and Family Therapy The book is divided into three sections Part 1 focuses on the components on which 21st century family therapy is based and summarizes the most recent changes made to not only therapeutic interventions but to the very concept of family Part 2 presents an overview of the 7 major theoretical models of the field: structural, strategic, Milan, social constructionist, experiential, transgenerational, and cognitive behavioral family therapy Each chapter in this section focuses on the founder of the theory, its theoretical tenants, and its key techniques Shows how the model focuses on diversity Presents the research that supports the approach Part 3 addresses specific treatment areas that are common to marriage and family therapists such as sex therapy, premarital therapy, research, and ethics and legal issues As an introduction to the field of Marriage and Family Therapy this volume stands above the rest Not only will readers gain an understanding of the rich history of the field and its techniques but they will also see a complete picture of the context in which families are embedded such as gender, culture, spirituality, and sexual orientation This knowledge is the key to understanding what differentiates Marriage and Family Therapy from individual psychotherapy Glossaries, case studies, tables, figures, and appendices appear generously throughout the text to present this information and give students a thorough overview to prepare them for their professional lives
