ensues and step by step Frederick finds himself convinced that Stacie's plan has real merit and that it behooves him to support her. At least for one event Stacie's first musical evening featuring Frederick as the principal performer is a massive success until Fate takes a hand and lands them in a situation that forces them both to reassess. Does Frederick want more than the sterile academic life he'd thought was for him? Can Stacie overcome her deepest fears and own to and reach for her girlhood dreams? Impulsive, arrogant and used to getting his own way, Frederick finds his answer easily enough, but his new direction puts him on a collision course with Stacie's fears. Luckily he thrives on challenges, which is just as well because in addition to convincing Stacie that love can indeed conquer all, he and she must unravel the mystery of who is behind a spate of murderous attacks before the villain succeeds in eliminating all hope of a happy ending.
