A Modest Proposal In Plain And Simple English:

A Modest Proposal in Plain and Simple English (Translated) Jonathan Swift, 2013-04-03 In 1729 Jonathan Swift proposed the most satirical answer to poverty ever written we sell poor children as food to rich people The essay is as hilarious today as it was hundreds of years ago if you can understand it if you have struggled in the past reading the satire then BookCaps can help you out We all need refreshers every now and then Whether you are a student trying to cram for that big final or someone just trying to understand a book more BookCaps can help We are a small but growing company and are adding titles every month *The Very Best of Jonathan Swift In Plain and Simple English (Translated)* Jonathan Swift, 2013-09-05 Few writers could write wit and satire quite like Jonathan Swift His humor has been appreciated and imitated for hundreds of years So why aren't you laughing Let us help make sense of Jonathan Swift's best known works with this modern translation Collected inside this large anthology is *The Battle of the Books* *A Modest Proposal* *Gulliver's Travels* *An Argument Against Abolishing Christianity* These books may also be purchased separately We all need refreshers every now and then Whether you are a student trying to cram for that big final or someone just trying to understand a book more BookCaps can help We are a small but growing company and are adding titles every month *Trolling Before the Internet* David Rudrum, 2024-11-14 Trolling began long before the internet This accessible history traces the ancestry of its textual and rhetorical strategies by looking at literature from ancient Greece to the 1980s Trolling is the most controversial genre of writing to have risen to prominence in the 21st century with far reaching consequences for its writers and readers alike But it is too often regarded as a technological problem confined to the internet This book takes a very different approach it regards trolling as a cultural problem with a long and venerable literary history Taking in the contrarianism of Lord Byron the wit of Oscar Wilde insult trading in Shakespeare Jonathan Swift's disaster trolling Martin Luther's dissemination of heresy through a public discussion forum the grotesquely misogynistic abuse hurled in Archilochus's poetry the taunting provocations of avant garde manifestos and not forgetting public humiliations in Beowulf David Rudrum demonstrates that trolls rhetorical shenanigans are neither new nor unvanquishable **English Prose and Poetry (1137-1892)**.
