A More Elite Soldier Pursuing A Life Of Purpose:

A More Elite Soldier Chuck Holton, 2003 An former U S Airborne Ranger demonstrates how God s objectives can energize an everyday life explaining the spiritual aspects of his own training and missions while recounting dramatic vignettes about his service experience Original *A More Elite Soldier* Chuck Holton, 2009-02-04 Former U S Army Ranger Chuck Holton shows how God oversees our training and gives each of us specific skills to accomplish the mission He has for us in this great spiritual war The rigor of becoming an Airborne Ranger is exceeded only by the challenge of being one but those who join their ranks find fulfillment in something bigger than themselves In the same way pursuing God s objectives energizes our everyday lives In this riveting book you will be issued potent spiritual ammunition for your daily battles from the perspective of a seasoned Special Operations soldier Life is combat From the instant the alarm clock signals the beginning of your day you re jumping into a zone of uncertainty and your survival depends on having a clear focus Your objective Get on mission as an elite soldier and become part of something bigger than yourself God will lead you through the danger zone of today s insecurity equipping you to make a difference Jesus and John Wayne Kristin Kobes Du Mez, 2020-06-23 NEW YORK TIMES BESTSELLER The paradigm influencing book Christianity Today that is fundamentally transforming our understanding of white evangelicalism in America *Jesus and John Wayne* is a sweeping revisionist history of the last seventy five years of white evangelicalism revealing how evangelicals have worked to replace the Jesus of the Gospels with an idol of rugged masculinity and Christian nationalism or in the words of one modern chaplain with a spiritual badass As acclaimed scholar Kristin Du Mez explains the key to understanding this transformation is to recognize the centrality of popular culture in contemporary American evangelicalism Many of today s evangelicals might not be theologically astute but they know their VeggieTales they ve read John Eldredge s *Wild at Heart* and they learned about purity before they learned about sex and they have a silver ring to prove it Evangelical books films music clothing and merchandise shape the beliefs of millions And evangelical culture is teeming with muscular heroes mythical warriors and rugged soldiers men like Oliver North Ronald Reagan Mel Gibson and the Duck Dynasty clan who assert white masculine power in defense of Christian America Chief among these evangelical legends is John Wayne an icon of a lost time when men were uncowed by political correctness unafraid to tell it like it was and did what needed to be done Challenging the commonly held assumption that the moral majority backed Donald Trump in 2016 and 2020 for purely pragmatic reasons Du Mez reveals that Trump in fact represented the fulfillment rather than the betrayal of white evangelicals most deeply held values patriarchy authoritarian rule aggressive foreign policy fear of Islam ambivalence toward MeToo and opposition to Black Lives Matter and the LGBTQ community A much needed reexamination of perhaps the most influential subculture in this country *Jesus and John Wayne* shows that far from adhering to biblical principles modern white evangelicals have remade their faith with enduring consequences for all Americans **Jesús y John Wayne** Kristin Kobes Du Mez, 2023-01-30 *Jesús y John Wayne* es una amplia

historia revisionista de los últimos setenta y cinco años del evangelismo blanco que revela cómo los evangélicos han trabajado para sustituir al Jesús de los Evangelios por un dolo de la masculinidad ruda y el nacionalismo cristiano o en palabras de un capellán moderno por un malote espiritual. Como explica la aclamada académica Kristin Du Mez la clave para entender esta transformación es reconocer la centralidad de la cultura popular en el evangelismo estadounidense contemporáneo. Muchos de los evangélicos de hoy pueden no ser teológicamente astutos pero conocen sus VeggieTales dibujos animados cristianos han leído Wild at Heart de John Eldredge aprendieron sobre la pureza antes de aprender sobre el sexo y tienen un anillo de plata para demostrarlo. Los libros las películas la música la ropa y los productos evangélicos conforman las creencias de millones de personas. Y la cultura evangélica está repleta de héroes musculosos guerreros míticos y soldados rudos hombres como Oliver North Ronald Reagan Mel Gibson y el clan Duck Dynasty que afirman el poder masculino blanco en defensa de la América cristiana. La principal de estas leyendas evangélicas es John Wayne un ícono de una poca perdida en la que los hombres no se acobardaban por la corrección política no temían decir las cosas como eran y hacían lo que había que hacer. Desafiando la suposición comúnmente sostenida de que la mayoría moral apoyó a Donald Trump en 2016 y 2020 por razones puramente pragmáticas Du Mez revela que Trump de hecho representó el cumplimiento en lugar de la traición de los valores más profundamente arraigados de los evangélicos blancos: el patriarcado el gobierno autoritario la política exterior agresiva el miedo al Islam la ambivalencia hacia el MeToo y la oposición a Black Lives Matter y la comunidad LGBTQ. Una reexaminación muy necesaria de la subcultura más influyente de este país Jesús y John Wayne muestra que lejos de adherirse a los principios bíblicos los evangélicos blancos modernos han rehecho su fe con consecuencias duraderas para todos los estadounidenses.

Michael D *The Punitive Turn in American Life* Michael S. Sherry, 2020-10-29 In 1965 President Lyndon Johnson insisted that the policeman is the frontline soldier in our war against crime and police forces arms makers policy makers and crime experts heeded this call to arms bringing weapons and practices from the arena of war back home The Punitive Turn in American Life offers a political and cultural history of the ways in which punishment and surveillance have moved to the center of American life and become imbued with militarized language and policies Michael S Sherry argues that by the 1990s the war on crime had been successfully broadcast to millions of Americans at an enormous cost to those arrested imprisoned or killed and to the social fabric of the nation and that the currents of vengeance that ran through the punitive turn underwriting torture at home and abroad found a new voice with the election of Donald J Trump By 2020 the connections between war fighting and crime fighting remained powerful evident in campaigns against undocumented immigrants and the militarized police response to the nationwide uprisings after George Floyd s murder Stoked by forever war the punitive turn endured even as it met fiercer resistance From the racist system of mass incarceration and the militarization of criminal justice to gated communities public schools patrolled by police and armies of private security Sherry chronicles the United States slide into becoming a meaner punishment obsessed nation
