A Pastor And The People An Inside Look Through Letters:

A Pastor and the People Bob Mink, 2015-05-21 Some jobs are more interesting than others and from time to time we enjoy hearing about someone else's work. As the title suggests, in *A Pastor and the People* readers are given an inside look through letters on what it's like to be a pastor. During his 44 years of ministry in four churches, Pastor Bob Mink saved many of the letters he received and wrote. In *A Pastor and the People* he shares some of those letters in the three parts of the book: Youth Ministry, Minister of a Small Church, and Pastor of a Large Church. There are quite a few letters that are complimentary and affirming, but as you might imagine, not all the letters received were in that category. He also includes a variety of hurtful ones in a chapter entitled *Troublesome Letters*. Readers will also read a number of letters he wrote to individuals as well as public letters he wrote to his church. You will gain insight into things that people liked and appreciated about their pastor, as well as some things they did not like. You will also get a look into a pastor's heart for his people. Pastors, those considering being a pastor, church leaders, church members, and even those who simply want to know what being a pastor involves will enjoy this behind-the-scenes tour of the work of a pastor.

The Living Pulpit Mary Alice Mulligan, 2018-04-10 Fifty years of preaching excellence in one volume. *The Living Pulpit* collects sermons from representative preachers in the Stone-Campbell Movement, pastors affiliated with the Churches of Christ, the Christian Churches, and the Christian Church Disciples of Christ over the past 50 years. The fourth volume in a series that began in 1868, this collection of sermons from 40 ministers reviewed by a diverse team of scholars captures the theological themes and changing approaches to preaching across the Movement's three streams. Emerging from an era of mutual suspicion, the three streams have developed a better understanding, shared mutuality, and respect for each stream's unique qualities and cooperated in many venues. Qualities reflected in this collection. *The Living Pulpit 2018* helps preachers and scholars recognize where preaching has been and why it has been there in each stream and where preaching appears to be going in a new mission field for Christianity and the Unity Movement.
