A Place In My Heart:

Womansong Annie Sharpe, 2002-10 Womansong is a book of poems inspired by some of the most painful and tragic events a woman can suffer the death of a marriage devastated children the loss of other relationships and your own self worth financial struggle and the ache of loneliness Yet like countless other women the author found the courage to go on often through writing Womansong chronicles an actual journey not yet finished but begun You will find hope for your own journey as you find validation and truth in the poems included in this collection **A Place to Call Home** Deborah Smith, 2011-08-24 Rarely will a book touch your heart like A Place to Call Home So sit back put up your feet and enjoy The Atlanta Journal and Constitution Twenty years ago Claire Maloney was the willful pampered tomboyish daughter of the town's most respected family but that didn't stop her from befriending Roan Sullivan a fierce motherless boy who lived in a rusted out trailer amid junked cars No one in Dunderry Georgia least of all Claire's family could understand the bond between these two mavericks But Roan and Claire belonged together until the dark afternoon when violence and terror overtook them and Roan disappeared from Claire's life Now two decades later Claire is adrift and the Maloneys are still hoping the past can be buried under the rich Southern soil But Roan Sullivan is about to walk back into their lives By turns tender and sexy and heartbreaking and exuberant A Place to Call Home is an enthralling journey between two hearts and a deliciously original novel from one of the most imaginative and appealing new voices in Southern fiction Praise for A Place to Call Home A beautiful believable love story Chicago Tribune For sheer storytelling virtuosity Ms Smith has few equals Richmond Times Dispatch Enchanting new novel a beautiful love story of reunion The News Observer Raleigh NC Stylishly written filled with Southern ease and humor Tampa Tribune **Words Can Explain** Sha Rene', 2007-12 There are times when you just want to talk aloud or just blurt out whatever comes to mind Well you can Sha Rene speaks her mind and uses her words to get across a message Most people can't just sit there and listen to your opinions or your outlook on life or how you feel about your day or how things went in your past relationships with men or say the things back to the people who hurt you or laugh at all the funny stuff people did This book does exactly that Like Ntozake Shange's poetry for stage For Colored Girls Sha writes these intense words from her African American experience made for you to listen as a dramatic piece of Chuma Okoli on the canvas It's like being a fly on the wall In music there is the opportunity to ignore the words to a song and listen along to a beat of the drum or the string of the violin or the tap of the piano but with spoken words you can get deep Lots of slang in this book She raps like that This book is the spoken word a form of poetry to song a form of song in poetry and sad amazingly honest and also funny There are parts of this book that allow you to go with the writer through a given situation and in a colorful way let you bend the rules with her let you laugh with her and cry with her and sometimes scream with her Rap with her Words with a beat and beating up the words and then there is silence This book although written is made for performance made for the stage and an open mic Made for one who wants to listen to what is right and sometimes wrong Words Can Explain How you

feel when you get up in the morning How you feel when you are in mourning how you feel when your work is done How it feels to be Black and a woman and single and alone and strong and a child and also grown How feel when you are the only one holding it down So listen up my brothas and sistas Listen up The River's Destiny Barney McMillan,2009-12 **With a Psalm in My Heart** Wiley W. McManus, Jr.,2006-04 This text gives heart warming insights into the Psalms with a blend of explanations stories experiences and counseling It provides a guide for 180 days of discovering the joy of a heart unlocked

Stones in My Heart Forever Kathryn Bedard,2008 In response to the September 11 2001 terrorist attacks on the World Trade Center the state of New Jersey set up the Family Assistance Center at Liberty State Park in Jersey City New Jersey Little has been shared about how New Jersey rapidly mobilized to care for individuals who felt the impact of the disaster Stones in My Heart Forever was written as a journal in the field as events unfolded giving us a rare glimpse into the internal operations of a disaster relief site Stones in My Heart Forever is much more than a description of events it is filled with soul searing multi sensory images of what the author witnessed and experienced alongside other responders who suddenly found themselves in the midst of this historical event Most of us who pored over media accounts with tears in our eyes could not comprehend the staggering reality or the massive emotional rush of actually seeing America burning This very intimate book allows us to become honored visitors who come to understand this disaster as never before when we share in the experiences of responders families and survivors the stages of grief the touching lessons of strength hope and courage and the aftermath of repeated exposure to trauma there is a cost to caring Stones in My Heart Forever is a testimony to American pride and resiliency and confirmation of the ways in which simple ordinary people rose to extraordinary heights of courage and compassion It is a must read for clinicians responders educators students clergy It honors all of us who have been affected by the events of September 11 2001 especially the unsung heroes who we meet and come to know on these pages *Open the Eyes of My Heart* Jodie M. Chappuis,2018-04-17 *Open the Eyes of My Heart Embracing the Joys of Everyday Miracles* tells the story of the authors life beginning with her experience when she was only three years old of surviving a life threatening accident and living to tell others about her encounter with Jesus This incident shaped her faith and led her down the path of sharing with others the changes she felt in her life because of the grace of God The author Jodie M Chappuis writes her account so that readers can hear her talking to them directly Reading the story of her life in *Open the Eyes of My Heart* brings her voice to life in the same way that her students in confirmation classes or her clients sitting in their chairs as she works on styling their hair have experienced her gift for telling the story of her life *Open the Eyes of My Heart Embracing the Joys of Everyday Miracles* begins with one little girls life extending encounter with Jesus and then tells how his grace touches daily life in joyous and miraculous ways *The Mountain* Deborah A. Castillo,2021-08-16 This is a mind bending uplifting transformation of a cold seeming past to the overturning into a beautiful new world where the past is atoned The cruel struggles of the memories in the book only lead down a more even yet cruel undecided fate which could become her last

moments Though no time is to spare in finding the whereabouts of her location in her abduction she struggles forth Forgetting herself learning a path she never thought was possible she finds her way through the darkness being accompanied among the lost **Random Stuff From A Censored Mind** Brian Necessary,2012-09-09 What I write about is about how I feel and things I am interested in This book is is mostly to do with my feelings and one or two random things

Storytime in India Helen Priscilla Myers,Umesh Chandra Pandey,2019-06-14 Stories are the backbone of ethnographic research During fieldwork subjects describe their lives through stories Afterward ethnographers come home from their journeys with stories of their own about their experiences in the field Storytime in India is an exploration of the stories that come out of ethnographic fieldwork Helen Priscilla Myers and Umesh Chandra Pandey examine the ways in which their research collecting Bhojpuri wedding songs became interwoven with the stories of their lives their work together and their shared experience reading *The Eustace Diamonds* by Anthony Trollope Moving through these intertwined stories the reader learns about the complete Bhojpuri wedding tradition through songs sung by Gangajali and access to the original song recordings and their translations In the interludes Pandey reads and interprets *The Eustace Diamonds* confronting the reader with the ever present influence of colonialism both in India and in ethnographic fieldwork Interwoven throughout are stories of the everyday highlighting the ups and downs of the ethnographic experience Storytime in India combines the style of the Victorian novel with the structure of traditional Indian village tales in which stories are told within stories This book questions how we can and should present ethnography as well as what we really learn in the field As Myers and Pandey ultimately conclude writers of scholarly books are storytellers themselves and scholarly books are a form of art just like the traditions they study
