A Promised Land A Perilous Journey Theological Perspectives On Migration

Ananda Rose

A Promised Land A Perilous Journey Theological Perspectives On Migration:

A Promised Land, a Perilous Journey Daniel G. Groody, Gioacchino Campese, 2008 A Christian theological interpretation of the border reality is a neglected area of immigration study The foremost contribution of A Promised Land A Perilous Journey is its focus on the theological dimension of migration beginning with the humanity of the immigrant a child of God and a bearer of his image The nineteen authors in this collection recognize that one characteristic of globalization is the movement not only of goods and ideas but also of people The crossing of geographical borders confronts Christians as well as all citizens with choices between national security and human insecurity between sovereign national rights and human rights between citizenship and discipleship Bearing these global dimensions in mind the essays in this book focus on the particular problems of immigration across the U S Mexico border The contributors to this volume include scholars as well as pastors and lay people involved in immigration aid work Daniel Groody has also produced a documentary on immigration Dying to Live A Promised Land A Perilous Journey offers a rich interdisciplinary treatment of the subject of migration showing the human face of contemporary migration as a global phenomenon The authors explore historical antecedents in Biblical and early church history the political debates about borders and the right to migrate and the role of race ethnicity and gender in the perilous journey of migrants This is an indispensable text for all interested in the theology of migration and the ethics of migration policy William O Neill S J Jesuit School of Theology Berkeley At times saddening at times inspiring A Promised Land A Perilous Journey brings fresh perspectives to the discussion of immigration These essays reach beyond the policy debate and the heated emotions of the moment and provide much needed reflection on larger truths Roberto Suro University of Southern California

A Promised Land, A Perilous Journey: Theological Perspectives on Migration Daniel Groody (ed), **The Bible and Immigration** Markus Zehnder, 2021-08-12 Questions relating to immigration are among the most heated topics on both sides of the Atlantic Western societies have changed dramatically because of large scale immigration in the last decades Christians are also engaged in the discussion attempting to find direction from the biblical texts Overwhelmingly persons in leading positions both in the secular world and in churches and faith based organizations support the concept of welcoming the stranger The Bible is seen by them as urging us to open the borders as wide as we can In the broader population however reservations remain This book written by a Bible professor who has witnessed mass migration first hand both in Europe and in the U S and who has been a migrant himself for over twenty years attempts to step back and look at the whole of the complex biblical witness instead of cherry picking passages that further a specific agenda It also looks at the salient data on the ground in the fields of psychology demography economy and security data that can no longer be ignored when trying to apply the Bible in a responsible way The book demonstrates the shortcomings of the vast majority of biblical and theological publications on the issue of immigration and presents a comprehensive argument for the use of wisdom and caution and against short sighted and emotionally driven policies supporting open borders

Asylum-Seeking, Migration and Church Susanna Snyder, 2016-04-15 *Asylum Seeking Migration and Church* addresses one of the most pressing issues confronting contemporary society How are we to engage with migrants Drawing on studies of church engagement with asylum seekers in the UK and critical immigration and refugee issues in North America Snyder presents an extended theological reflection on both the issue of asylum seeking and the fears of established populations surrounding immigration This book outlines ways in which churches are currently supporting asylum seekers encouraging closer engagement with people seen as other and more thoughtful responses to newcomers Creatively exploring biblical and theological traditions surrounding the stranger Snyder argues that as well as practising a vision of inclusive community churches would do well to engage with established population fears Trends in global migration and the dynamics of fear and hostility surrounding immigration are critically and creatively explored throughout the book Inviting more complex nuanced responses to asylum seekers and immigrants this book offers invaluable insights to those interested in Christian ethics practical theology social work mission and faith and social action as well as those working in the field of migration

Showdown in the Sonoran Desert Ananda Rose, 2012-06-01 This book offers reflections on a daunting and controversial ethical question How should we treat the strangers who enter this country illegally To understand the experience of those directly confronted by this problem Ananda Rose traveled to the Sonoran desert at the border between the U S and Mexico There she gathered opinions from Minutemen Border Patrol agents Catholic nuns humanitarian air workers left wing protestors ranchers and other ordinary citizens in southern Arizona She depicts the results of these interviews as two starkly opposed ideological perspectives that of religious activists who embrace a biblically inspired model of hospitality that stresses love of strangers and a borderless compassion and that of law enforcement which is concerned with safety security and strict respect for international borders

Brazilians in a Promised Land Jorge William de Castro Abdala, 2022-08-25 There are an estimated of 1 3 million Brazilian immigrants living in the United States approximately 460 000 Brazilian Americans as of mid 2019 The Brazilian population in the United States is relatively small and the lack of knowledge of Brazilian immigrants and the tendency to stereotype based on the perception and assumption has had a negative impact on many Brazilian ministries There are only thirteen Brazilian ministries within the Presbyterian Church USA and the total number of Brazilians membership within the PC USA is approximately seven hundred people Some of these ministries have existed for over twenty years but very little information has been given about their existence and experiences Brazilian ministries that thrive most in the PC USA s body cherish their own identity understand what those essential factors and keys are and embrace the challenges and opportunities in a cross cultural experience Every thriving Brazilian ministry is made of people who reflect the image of God in the migration context and plays a unique model to love outcast Brazilians living in this promised land

Migrants and Citizens Tisha M. Rajendra, 2017 The inadequacy of human rights and the preferential option for the poor Migration theory and migration ethics In search of better narratives Theories of justice in

global perspective Justice as fidelity to the demands of a relationship From responsibility to relationship The Good Samaritan revisited *The Rhetorics of US Immigration* E. Johanna Hartelius, 2015-11-10 In the current geopolitical climate in which unaccompanied children cross the border in record numbers and debates on the topic swing violently from pole to pole the subject of immigration demands innovative inquiry In *The Rhetorics of US Immigration* some of the most prominent and prolific scholars in immigration studies come together to discuss the many facets of immigration rhetoric in the United States *The Rhetorics of US Immigration* provides readers with an integrated sense of the rhetorical multiplicity circulating among and about immigrants Whereas extant literature on immigration rhetoric tends to focus on the media this work extends the conversation to the immigrants themselves among others A collection whose own eclecticism highlights the complexity of the issue *The Rhetorics of US Immigration* is not only a study in the language of immigration but also a frank discussion of who is doing the talking and what it means for the future From questions of activism authority and citizenship to the influence of Hollywood the LGBTQ community and the church *The Rhetorics of US Immigration* considers the myriad venues in which the American immigration question emerges and the interpretive framework suited to account for it Along with the editor the contributors are Claudia Anguiano Karma R Ch vez Terence Check Jay P Childers J David Cisneros Lisa M Corrigan D Robert DeChaine Anne Teresa Demo Dina Gavrilos Emily Ironside Christine Jasken Yazmin Lazcano Pry Michael Lechuga and Alessandra B Von Burg **Prisoners of Hope** Nathan McConnell, 2025-05-30 *Prisoners of Hope* focuses on ecclesiological and practical theological responses to migration asylum seeking and refugee integration and assimilation It considers the relationship between the church and the nation state relative to political asylum by questioning the various responses of Christians who advocate for refugees and asylum seekers in their spheres of influence *Prisoners of Hope* features how the Church might begin to appraise and address the various socio political strategies employed by nation states which situate migrants in a form of quasi political status as they move from one place to another It holds key benefits for exploring the philosophical and theological intersections of Dietrich Bonhoeffer Giorgio Agamben and Seyla Benhabib and those attempting to ask about treatment of the refugees and asylum seekers *Prisoners of Hope* will be of particular interest to those attempting scholarly research in the areas of theology religion and migration studies as it investigates the phenomenological experiences of refugees going in and out of detention as well as arguments relating to porous borders within sovereign national entities Initially the book engages definitions of migration moving onto concepts of State of Exception and Homo Sacer and analysing arguments regarding porous borders and cosmopolitanism Of specific benefit for Christian theology is the second half of the book which examines the importance of vicarious witnessing prayer voicing inclusion worshipping communities and the inclusion of the other Overall *Prisoners of Hope* is a pertinent addition to those discussing concepts of national sovereignty migrant assimilation asylum seeking hospitality and the juxtapositioning of the foreigner within the often intricate dialogues associated with political entry **Theologies on the Move** Joerg

Rieger, 2020-10-13 Theologies on the Move Religion Migration and Pilgrimage in the World of Neoliberal Capital speaks to the reality that many religions have developed in motion with people exploring new boundaries migrating and being displaced Consequently major religious traditions form as they come into contact with other religions and cultures typically in situations of struggle and pressure Due to neoliberal capitalism more people are on the move today than ever before Most are driven by necessity migration due to violence poverty and perceived poverty others by religious quests that are often fueled by experiences of tension pilgrimage The chapters in this volume explore the complexity of these situations examining in detail how theology and religion shape up in various contexts on the move and investigating specific problems and tensions in order to suggest solutions alternatives and new possibilities

A Promised Land A Perilous Journey Theological Perspectives On Migration Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free A Promised Land A Perilous Journey Theological Perspectives On Migration PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process.

and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free A Promised Land A Perilous Journey Theological Perspectives On Migration PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of A Promised Land A Perilous Journey Theological Perspectives On Migration free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.
