- menu>Bluetooth>make sure it is switched on.
- Once you have confirmed that Bluetooth is on, you should see your smart watch in your Devices list. It should show as iTouch. Select this device to connect. You will see a Blue Bluetooth icon on the watch to let you know that you are connected to your device.
- Once the device is connected, open the iTOUCH SW2 app you downloaded and open it.
- Select the plus sign and then select the Bluetooth icon. A new window will pop up. Tap the Start Search button and a list of visible Bluetooth devices will appear. Select your iTouch from the list. A window may pop up if you have already been connected to the iTouch previously asking if you want to ignore Device or Connection. Select ignore Device and the hit ok on the next screen. Select the Bluetooth icon again and you should be taken to the Start Search screen again.
- A window should pop up saying "Bluetooth Pairing Request". Select "Pair" and the phone will pair again with your iTOUCH. You will now see a Bluetooth icon that is half Green and half Blue on your watch letting you know that your device is fully connected.
- Your notifications will begin to load on the watch.

ANDROID™:

- Before you begin, download the iTOUCH SW2 app from the Google Play store.
- Select main menu by hitting the enter key which is the left most icon on the lower part of your watch (Call/Answer in the diagram above).
- Once you have downloaded the app, go to your ANDROID device's settings menu and make sure that your Bluetooth is turned on and that you check the box to make your smart phone visible to other devices.
- Go to the iTOUCH SW2 app you downloaded and open it.
- Select the plus sign and then select the Bluetooth icon. A new window will pop up. Tap the Start Search button and a list

Apple Itouch User Manual Introduction

In today's digital age, the availability of Apple Itouch User Manual books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Apple Itouch User Manual books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Apple Itouch User Manual books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Apple Itouch User Manual versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Apple Itouch User Manual books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Apple Itouch User Manual books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Apple Itouch User Manual books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain

books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Apple Itouch User Manual books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Apple Itouch User Manual books and manuals for download and embark on your journey of knowledge?
