Thomas Griffiths

Beyond The Rim Rebels And Patriots :

The Lives and Times of the Patriots Edwin C. Guillet, 1968-12-15 *The Lives and Times of the Patriots* was first published in 1938 the centennial of the Upper Canadian Rebellion and the subsequent Patriot raids over the border from the United States The Canadian part of the agitation for constitutional and social reform long a subject of controversy and bitterness is now generally considered to be as Sir Wilfrid Laurier put it a fight for constitutional rights not against the British Crown but very little in the American movement allegedly in sympathy can be justified its aims and conduct being no better than and often inferior to the Fenian Raids of some thirty years later The story of the events and their consequences is unfolded from a wide coverage of source materials and described from both Tory and Reform Loyalist and Patriot point of view Exciting trails and escapes from jails and forts follow one another in quick succession and the lives and experiences of participants are traced around the world to the prison colony of Van Diemen s Land and home again as diaries letters and narratives tell their story supplemented and verified by official documents contemporary newspapers obituary notices and tombstone inscriptions Rare illustrations complement this careful account of what must be taken to be with all its deficiencies a notable episode in the history of human freedom *The Western Christian Advocate* ,1897 **Shadow Patriots** Lucia St. Clair

Robson, 2006-08-01 Told with historical accuracy and incredible attention to period detail Lucia St Clair Robson s *Shadow Patriots* recreates America at its youngest and describes with vivid intensity the men and women who bravely did their part to deliver it from tyranny In July of 1776 the American colonies are ablaze with passion In the streets those who would be free boldly read aloud the newly written Declaration of Independence It is a cry of freedom but it is also a time of critical confrontation both on the battlefield and off as the people of a new nation choose between their king and an uncertain future It is a choice which is not easily made As Commander in chief George Washington declares a major victory in New York the rest of the colonies separate into Patriots and Tories Kate Darby never expected to be swept up in this political storm The Darbys are Quakers who have pledged their allegiance to God first but that soon changes Kate s younger brother Seth can no longer deny his soul s cry against tyranny Fleeing from his Loyalist parents house to join General Washington s ragtag forces Seth enters a life he never expected With the influx of British soldiers Philadelphia soon becomes a temporary base camp for the English forces When the Darbys find themselves forced to take in Major Jonathan Andre Kate falls quickly for his charm Despite her warring affections Kate finds herself drawn deep into the war As she attempts to follow her brother she risks her life and her family s reputation by becoming a spy for the patriot forces a role which quickly transforms the once timid Quaker girl With a world of danger and political upheaval thrown before them Kate and Seth face incredible danger in the hopes of shaping one of the single most important events in American history the war for freedom At the Publisher s request this title is being sold without Digital Rights Management Software DRM applied **The Rebellion record** ,1867 [The Rebellion Record](#) Moore, 1865 *The Rebellion Record* Frank Moore, 1865 *Youth's Companion* ,1900 **The Youth's**

Companion Nathaniel Willis, Daniel Sharp Ford, 1884 Includes music The Penny satirist and London pioneer [afterw.]
The London pioneer [afterw.] The London literary pioneer [afterw.] Literary pioneer , **Putnam's & the Reader** , 1908
