

BEYOND TOTALITARIANISM

STALINISM AND NAZISM COMPARED

Edited by MICHAEL GEYER and SHEILA FITZPATRICK

Beyond Totalitarianism Stalinism And Nazism Compared

Olga Velikanova

Beyond Totalitarianism Stalinism And Nazism Compared:

Beyond Totalitarianism, 2009 In essays written jointly by specialists on Soviet and German history the contributors to this book rethink and rework the nature of Stalinism and Nazism and establish a new methodology for viewing their histories that goes well beyond the now outdated twentieth century models of totalitarianism ideology and personality Doing the labor of comparison gives us the means to ascertain the historicity of the two extraordinary regimes and the wreckage they have left With the end of the Cold War and the collapse of the Soviet Union scholars of Europe are no longer burdened with the political baggage that constricted research and conditioned interpretation and have access to hitherto closed archives The time is right for a fresh look at the two gigantic dictatorships of the twentieth century and for a return to the original intent of thought on totalitarian regimes understanding the intertwined trajectories of socialism and nationalism in European and global history

Beyond Totalitarianism Michael Geyer, Sheila Fitzpatrick, 2008-12-08 In essays written jointly by specialists on Soviet and German history the contributors to this book rethink and rework the nature of Stalinism and Nazism and establish a new methodology for viewing their histories that goes well beyond the now outdated twentieth century models of totalitarianism ideology and personality Doing the labor of comparison gives us the means to ascertain the historicity of the two extraordinary regimes and the wreckage they have left With the end of the Cold War and the collapse of the Soviet Union scholars of Europe are no longer burdened with the political baggage that constricted research and conditioned interpretation and have access to hitherto closed archives The time is right for a fresh look at the two gigantic dictatorships of the twentieth century and for a return to the original intent of thought on totalitarian regimes understanding the intertwined trajectories of socialism and nationalism in European and global history

Beyond Totalitarianism Michael Geyer, Sheila Fitzpatrick, 2009 These essays rethink the nature of Stalinism and Nazism and establish a new methodology for viewing their histories that goes well beyond outdated twentieth century models of totalitarianism ideology and personality They offer a new understanding of the intertwined trajectories of socialism and nationalism in European and global history

Political Religion Beyond Totalitarianism J. Augusteijn, P. Dassen, M. Janse, 2013-01-29 The success of fascist and communist regimes has long been explained by their ability to turn political ideology into a type of religion These innovative essays explore the notion that all forms of modern mass politics including democracies need a form of sacralization to function

Perspectives on the Entangled History of Communism and Nazism Klas-Göran Karlsson, Johan Stenfeldt, Ulf Zander, 2015-07-15 The collective work deals with the problems of if how and why the histories of German Nazism and Soviet Communism should and could be situated within one coherent narrative As historical phenomena can Communism and Nazism fruitfully be compared to each other Do they belong to the same historical contexts Have they influenced reacted to or learned from each other Are they interpreted represented and used together by posterity The background of the book is twofold One is external There is an ongoing debate about the historical

entanglements of Communism and Nazism especially about Auschwitz and Gulag respectively Our present fascination with the evil history of genocide has situated the Holocaust as the borderline event in Western historical thinking The crimes against humanity perpetrated by the Soviet Communist regime do not have the same position but are considered more urgent in the East and Central European states that were subdued by both Nazi and Communist regimes The other internal background is to develop an analytical perspective in which the comnaz nexus can be understood Using a complex approach the authors investigate Communist and Nazi histories as entangled phenomena guided by three basic perspectives Focusing on roots and developments a genetic perspective highlights historical process oriented connections A structural perspective indicates an attempt to narrow down operational parallels of the two political systems in the way they handled ideology to construct social utopia used techniques of terror etc A third perspective is genealogical emphasizing the processing and use of Communist and Nazi history by posterity in terms of meaning and memory What past is worth remembering celebrating debating but also distorting and forgetting The chapters of the book address phenomena such as ideology terror secular religion museum exhibits and denial

Totalitarianism Phillip W. Gray, 2023-06-20 Totalitarianism The Basics is an easy to read introduction into the main concepts ideologies and regimes associated with totalitarianism Starting with an overview of how scholars have attempted to define totalitarianism Phillip W Gray begins with an examination of the various types of terms used helping the reader think about how these terms do and do not apply to different ideologies and governments Easily accessible language and the use of numerous examples aid readers in seeing the connections between certain types of ideologies and some forms of organization movements in their relation to historically well known totalitarian regimes Gray concludes with the tools necessary to think through how to distinguish between an actual or potential totalitarian system and regimes that while oppressive or authoritarian would not be totalitarian in nature A rich bibliography containing additional readings bookend the text Totalitarianism The Basics offers an essential introduction for students from all backgrounds seeking to understand totalitarianism and for general readers with an interest in political ideologies and extremism For those knowledgeable in this field it adds conceptual relevance and a variety of ways of thinking about the term

Race and the Totalitarian Century Vaughn Rasberry, 2016-10-03 Few concepts evoke the twentieth century s record of war genocide repression and extremism more powerfully than the idea of totalitarianism Today studies of the subject are usually confined to discussions of Europe s collapse in World War II or to comparisons between the Soviet Union and Nazi Germany In Race and the Totalitarian Century Vaughn Rasberry parts ways with both proponents and detractors of these normative conceptions in order to tell the strikingly different story of how black American writers manipulated the geopolitical rhetoric of their time During World War II and the Cold War the United States government conscripted African Americans into the fight against Nazism and Stalinism An array of black writers however deflected the appeals of liberalism and its antitotalitarian propaganda in the service of decolonization Richard Wright W E B Du Bois Shirley Graham C L R James John

A Williams and others remained skeptical that totalitarian servitude and democratic liberty stood in stark opposition. Their skepticism allowed them to formulate an independent perspective that reimagined the antifascist anticommunist narrative through the lens of racial injustice with the United States as a tyrannical force in the Third World but also as an ironic agent of Asian and African independence. Bringing a new interpretation to events such as the Bandung Conference of 1955 and the Suez Canal Crisis of 1956, Rasberry's bird's eye view of black culture and politics offers an alternative history of the totalitarian century.

Mass Political Culture Under Stalinism Olga Velikanova, 2018-05-15 This book is the first full length study of the Soviet Constitution of 1936 exploring Soviet citizens' views of constitutional democratic principles and their problematic relationship to the reality of Stalinism. Drawing on archival materials, the book offers an insight into the mass political culture of the mid 1930s in the USSR and thus contributes to wider research on Russian political culture. Popular comments about the constitution show how liberal democratic and conciliatory discourse co-existed in society with illiberal confrontational and intolerant views. The study also covers the government's goals for the constitution's revision and the national discussion and its disappointment with the results. Outcomes of the discussion convinced Stalin that society was not sufficiently Sovietized. Stalin's re-evaluation of society's condition is a new element in the historical picture explaining why politics shifted from the relaxation of 1933-36 to the Great Terror and why repressions expanded from former oppositionists to the officials and finally to the wider population.

Cultural Sovereignty beyond the Modern State Gregor Feindt, Bernhard Gissibl, Johannes Paulmann, 2021-07-05 In the past 25 years or more, political observers have diagnosed a crisis of the sovereign nation state and the erosion of state sovereignty through supranational institutions and the global mobility of capital, goods, information and labour. This edition of the *European History Yearbook* seeks to use cultural sovereignty as a heuristic concept to provide new views on these developments since the beginning of the 20th century.

Recognizing the quirk ways to acquire this books **Beyond Totalitarianism Stalinism And Nazism Compared** is additionally useful. You have remained in right site to start getting this info. acquire the Beyond Totalitarianism Stalinism And Nazism Compared partner that we meet the expense of here and check out the link.

Beyond Totalitarianism Stalinism And Nazism Compared Introduction

In today's digital age, the availability of Beyond Totalitarianism Stalinism And Nazism Compared books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Beyond Totalitarianism Stalinism And Nazism Compared books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Beyond Totalitarianism Stalinism And Nazism Compared books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Beyond Totalitarianism Stalinism And Nazism Compared versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Beyond Totalitarianism Stalinism And Nazism Compared books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Beyond Totalitarianism Stalinism And Nazism Compared books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Beyond Totalitarianism Stalinism And Nazism Compared

books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Beyond Totalitarianism Stalinism And Nazism Compared books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Beyond Totalitarianism Stalinism And Nazism Compared books and manuals for download and embark on your journey of knowledge?

FAQs About Beyond Totalitarianism Stalinism And Nazism Compared Books

1. Where can I buy Beyond Totalitarianism Stalinism And Nazism Compared books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Beyond Totalitarianism Stalinism And Nazism Compared book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
