

BEYOND YAHWEH AND JESUS

*Bringing Death's Wisdom to Faith,
Spirituality, and Psychoanalysis*

ROBERT LANGS

Beyond Yahweh And Jesus Bringing Deaths Wisdom To Faith Spirituality And Psychoanalysis

James F. Siller

Beyond Yahweh And Jesus Bringing Deaths Wisdom To Faith Spirituality And Psychoanalysis:

Beyond Yahweh and Jesus Robert Langs, 2007-10-10 The first in depth psychoanalytic study of the Old and New Testaments *Beyond Yahweh and Jesus* centers on God's role in enabling humans to cope with death and the anxieties it evokes Yahweh is seen as tending to increase rather than diminish these death anxieties while Christ offers near perfect solutions to each type Why then asks Dr Langs has Christ failed to bring peace to the world Langs answer is focused on what is he argues Western religion's lack of a deep understanding of human psychology i.e. an absence of the psychological wisdom needed to supplement the spiritual wisdom of religion This is a void bemoaned as early as the mid 1800s by the Archbishop Temple and by Carl Jung in the early 20th century The journey on which Langs study embarks leads through an examination of the related topics of knowledge acquisition and divine wisdom the failure of psychoanalysis to provide religion with the psychology it needs to fulfill its mission and a set of propositions that are intended to bring psychological wisdom to religion and thereby to initiate the third chapter in the history of God in which a refashioned morality and fresh divine wisdom play notable roles Simultaneously the book offers a foundation for secular forms of spirituality and morality as well as for human efforts to cope with death and its incumbent anxieties The mission of this book is a lofty but necessary one to reinvigorate religion with new dimensions and insights so as to empower it at long last to help bring peace to the world both individually and collectively

Beyond Yahweh and Jesus Robert Langs, 2008 *Beyond Yahweh and Jesus* constitutes the first in depth psychoanalytic study of the Old and New Testaments in terms of God's role in enabling humans to cope with death and the anxiety it evokes The journey on which this study embarks leads through an examination of the relation between **Religion and Psychiatry** Peter Verhagen, Herman M. Van Praag, Juan José Lopez-Ibor, John Cox, Driss Moussaoui, 2010-01-19 Religion and spirituality is very much alive and shapes the cultural values and aspirations of psychiatrist and patient alike as does the choice of not identifying with a particular faith Patients bring their beliefs and convictions into the doctor patient relationship The challenge for mental health professionals whatever their own world view is to develop and refine their vocabularies such that they truly understand what is communicated to them by their patients Religion and Psychiatry provides psychiatrists with a framework for this understanding and highlights the importance of religion and spirituality in mental well being This book aims to inform and explain as well as to be thought provoking and even controversial Patiently and thoroughly the authors consider why and how when and where religion and spirituality are at stake in the life of psychiatric patients The interface between psychiatry and religion is explored at different levels varying from daily clinical practice to conceptual fieldwork The book covers phenomenology epidemiology research data explanatory models and theories It also reviews the development of DSM V and its awareness of the importance of religion and spirituality in mental health What can religious traditions learn from each other to assist the patient Religion and Psychiatry discusses this as well as the neurological basis of religious experiences It describes training programmes that successfully incorporate aspects of religion and demonstrates

how different religious and spiritual traditions can be brought together to improve psychiatric training and daily practice Describes the relationship of the main world religions with psychiatry Considers training policy and service delivery Provides powerful support for more effective partnerships between psychiatry and religion in day to day clinical care This is the first time that so many psychiatrists psychologists and theologians from all parts of the world and from so many different religious and spiritual backgrounds have worked together to produce a book like this one In that sense it truly is a World Psychiatric Association publication Religion and Psychiatry is recommended reading for residents in psychiatry postgraduates in theology psychology and psychology of religion researchers in psychiatric epidemiology and trans cultural psychiatry as well as professionals in theology psychiatry and psychology of religion

Freud on a Precipice Robert Langs,2010 This book is a psychoanalytic detective story that takes the reader back to the late 1890 s and to the generally unappreciated yet single most important turning point in the history of psychoanalysis The context is the death of Freud s father and the decision Freud made to abandon his first reality centered theory of the mind in favor of a theory focused on inner fantasies and needs Marshalling a large body of evidence Langs views this change of heart as a regressive paradigm shift driven by unconsciously influential archetypes that were in turn linked to a series of early life traumas in Freud s life possibly eight in all several of them preceding Freud s birth and all but one outside of Freud s conscious awareness The ramifications of these incidents placed Freud on a later day precipice from which his fall into equivalents of homicide and suicide were at risk Freud shifted focus to save his life Langs detective work brings him to new insights into such matters as the psychological archetypes that affect the creation and modifications of paradigms physical and mental a new utilitarian view of the design of the emotion processing mind recognition of the complex unconscious impact of reality and of death related traumas on the human psyche and emotionally charged choices the vast superiority of Freud s first paradigm over his second theory of the mind and the unconscious reasons despite its many flaws that Freud s second paradigm remains in favor to this very day Freud saved his life by shifting course but at the same time he created a theory that must be held partly accountable for the compromised forms of dynamic therapy and broad psychological harm that has followed in its wake Using an updated version of Freud s first paradigm Langs shows us a better way to live and work as a psychotherapist or any other career

Sigmund Freud and Oskar Pfister on Religion Carlos Domínguez-Morano,2023-07-24 Sigmund Freud and Oskar Pfister on Religion examines the dialogue between psychoanalysis and religion through the encounters of two men the unfaithful Jew who founded psychoanalysis and a pastor of profound religious faith and proven psychoanalytic conviction Carlos Domínguez Morano analyses the original encounters between Freud and Pfister and their respective positions noting the incidences impasses and progress of their discussions The complex interactions between psychoanalysis and religion over time are considered and Domínguez Morano assesses the fundamental parameters of each perspective with reference to Catholicism The book explores the relationship between psychoanalysis and religion as a rich ongoing and unending dialogue and sheds

new light on the origins of psychoanalysis Sigmund Freud and Oskar Pfister on Religion will be of great interest to academics and scholars of psychoanalytic studies religion the history of psychology and the history of ideas *Managing Managed Care* Robert Langs, 2009-02-19 *Managing Managed Care* is the first comprehensive exploration of the many issues and challenges faced by both providers and patients who work under the auspices of managed care insurers The distinctive conditions of managed care treatment are scrutinized in detail and their effects and optimal management are carefully presented The book makes extensive use of the author's unique in depth understanding of the human mind and pays attention to both the consciously mediated effects of the conditions of managed care treatment and to the especially powerful largely unappreciated effects that are mediated unconsciously The result is a well grounded extensive practical guide to dealing effectively with the inevitable intrusions into the therapeutic relationship and with other common issues that are characteristic of managed care therapy The recommendations proposed by the author can turn a failing treatment experience into one that brings symptom relief to the patient and satisfaction to the therapist While the author is critical of many practices endorsed by managed care insurers and in use by their providers he takes pains to propose basic improvements in these areas In addition the positive features of this treatment modality are given full consideration including ways to enhance their favorable effects The book uniquely provides critical insights for therapists and psychiatrists of all backgrounds and all levels of clinical experience in ways that will greatly enhance their work with managed care patients

Speaking of Death Michael K. Bartalos, 2008-11-30 In the post 9 11 moments months and years America has come to develop a new mortality awareness Death and our understanding that it can be sudden and is certainly inevitable is being talked about more than ever before As the team in this volume shows through groundbreaking research surveys interviews and vignettes death awareness has grown strong and has changed the way we think and act not only in relation to ourselves and our loved ones but in relation to society overall Those changes include nuances from increases in the number and size of college courses focused on death rapid growth of death books death photography television shows dealing with death as well as the recording and dissemination of death videos from those that show family members dying peacefully to the execution of terrorists or their captives Impromptu street creations to memorialize common people who have died have emerged as have new ways to dispose of dead bodies including blasting ashes into space or placing them under the sea or giving them a green resting place in a natural forest Our means of grieving coping and beliefs about afterlife have been altered too This work also includes a look at cosmologists and physicists who have revised their theories on humanity's legacy when our world meets a fateful end who propose a means by which mankind's achievements might survive indefinitely transporting from one universe to another without violating the known laws of physics This book will intrigue all with an interest in considering not only death and how 9 11 changed America's views on and beliefs about it but also considering what could lie beyond that end for all of us **Insights from Beyond: An Exploration of Near-Death Experiences and Biblical Truths** Anaja

Metellus,2025-09-26 In Insights from Beyond Anaja Metellus invites readers on a personal and spiritually rich journey born out of grief and a longing to see his long held beliefs come to life After losing his grandmother and two young cousins he found himself consumed by questions about mortality and the meaning of life A late night YouTube search led him into the world of near death experiences NDEs These testimonies would go on to profoundly shift his understanding of life death and God Raised within Evangelical Christianity Anaja began to see his inherited worldview through fresh eyes NDEs didn t pull him away from his faith but they did prompt him to examine it objectively With honesty and reverence he explores foundational truths through biblical reflection and scientific research Questions of origin identity purpose and destiny unfold in ways that invite every reader regardless of religion to reconsider what they believe and why To Anaja NDEs aren t hallucinations but spiritual breadcrumbs God s way of whispering to us through the veil In an age where religion can feel divisive or shallow this book offers something deeper Whether you re a believer seeker or curious skeptic you re invited to explore the mystery You may find that God isn t offended by your search In fact He may have been waiting for you to begin it

Death and Beyond Edwin L Woolsey,2021-06-23 The boatswain s call pipes departure As first watch follows the evening bell Pity not this night s brief parting Since all will soon embark into the shadows as well Gingerly forsaking their accustomed homeland Each timid wayfarer plies the brink of time and space Hardly the end Death is but the beginning Of a common trek to a familiar place Note the keen eye of the Helmsman Who has delved these somber depths oftentimes before And as Life s drab fogbank softly scatters He aptly scans the faint line of a far distant shore Obscure at first now we also see it A crystal strand shining pearly white And beyond that shimmering surf a verdant country rises To welcome us home beneath dawn s silvery light Edwin L Woolsey *The Near and Far Sides of Death* James F. Siller,2008-06-01 For those committed to the beliefs of Christianity perhaps more so for those of the Catholic faith the conception of Jesus is deemed an immaculate non sexual event He was conceived within the womb of Mary through the Holy Spirit whereupon Mary s spouse and Jesus earthly father Joseph was faced with the issue of accepting his wife s fidelity in the entire matter This loosely describes the divine conception of Jesus as derived from words found in The New Testament of The Bible while it is hoped that hackles of certain readers will not be raised through words appearing in The Near and Far Sides of Death NFSD where similar claims are made Namely along with Jesus divine conception we have been conceived in much the same manner although under entirely different circumstances In a very distant past well before there were galaxies far far away and prior to the bestowal of mortality on any cosmic being the initial birth of everyone who has ever existed took place This momentous occasion occurred about 14 billion years ago when we collectively emerged arm in arm with the entire universe or more fittingly the emergence was an energy upon energy arrangement Such is the manner in which our lives actually began although parties interested in researching the event will be hard pressed to find any form of intelligence or mortality within the enormous burst of radiant energy that signaled our arrival In truth the entire referenced era plus several subsequent

brief periods are non reviewable Following a colossal upheaval at time zero of which we were a part dubbed the Big Bang our incipient mortality lay in a dormant yet highly charged state that featured billions of years of cosmic development or cosmic gestation as it were This hard sell proposal forms a major theme of the story and though it appears well beyond the pale of rational belief it becomes wholly credible after reviewing facts and discussion that are relevant to the topic An excerpt from NFSD that is part of this relevant discussion appears below It addresses the angst ridden issue of abortion Many of those in the clergy and laypersons alike believe that life begins at conception when a sperm cell fertilizes a female ovum At the moment of this one on one encounter within a female fallopian tube some will openly endorse the existence and reality of life even though only a genetic code exists that will later establish and identify a unique human form having intellectual propensities Further under these primal entry level conditions of development life is granted the same validity the same sacred status it receives during any post natal stage Based on the largest of pictures which includes the characteristics of our cosmic world and the presumed nature of its creator I m convinced the proper outlook is one in which conception becomes the first breath of mortality The belief is upheld by the fact that palpable judgments regarding a scheduled beginning of life or life under any terms is established as a matter of human judgment which is always subject to error and far too often wrong Does a person exist who is capable of rendering such lofty decisions Life is a sacred gift and attempts to distinguish its base identity let alone its scheduled reality should be cautiously approached In addition an individual claiming to have properly defined the issue will be singled out as one capable of defining the appointed time when God intended life should exist Would the creator of everything decree that life is established at some designated moment of pre fetal fetal or post fetal development which parallels our conventional but limited visions of life Isn t it possible that His would be a perspective of far broader scope one in which life may have commenced during a recent past when our species awakened from an intellectual darkness Probing the issue fur

Yeah, reviewing a books **Beyond Yahweh And Jesus Bringing Deaths Wisdom To Faith Spirituality And Psychoanalysis** could be credited with your near contacts listings. Beyond Yahweh And Jesus Bringing Deaths Wisdom To Faith Spirituality And Psychoanalysis Introduction

In today's digital age, the availability of Beyond Yahweh And Jesus Bringing Deaths Wisdom To Faith Spirituality And Psychoanalysis books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a

wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Beyond Yahweh And Jesus Bringing Deaths Wisdom To Faith Spirituality And Psychoanalysis books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Beyond Yahweh And Jesus Bringing Deaths Wisdom To Faith Spirituality And Psychoanalysis books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Beyond Yahweh And Jesus Bringing Deaths Wisdom To Faith Spirituality And Psychoanalysis versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Beyond Yahweh And Jesus Bringing Deaths Wisdom To Faith Spirituality And Psychoanalysis books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Beyond Yahweh And Jesus Bringing Deaths Wisdom To Faith Spirituality And Psychoanalysis books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Beyond Yahweh And Jesus Bringing Deaths Wisdom To Faith Spirituality And Psychoanalysis books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Beyond Yahweh And Jesus Bringing Deaths Wisdom To Faith Spirituality And Psychoanalysis books

and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Beyond Yahweh And Jesus Bringing Deaths Wisdom To Faith Spirituality And Psychoanalysis books and manuals for download and embark on your journey of knowledge?

FAQs About Beyond Yahweh And Jesus Bringing Deaths Wisdom To Faith Spirituality And Psychoanalysis Books

1. Where can I buy Beyond Yahweh And Jesus Bringing Deaths Wisdom To Faith Spirituality And Psychoanalysis books?
