Michael Keane, Albert Moran

Beyond Bliss The Sinclairs 1:

May Sinclair Rebecca Bowler, 2016-12-05 May Sinclair was a bestselling author of her day whose versatile literary output including criticism philosophy poetry psychoanalysis and experimental fiction now frequently falls between the established categories of literary modernism In terms of her contribution to dominant modernist paradigms she was until recently best remembered for recasting the psychological novel as stream of consciousness narrative in a 1918 review of Dorothy Richardson's *Pilgrimage* This book brings together the most recent research on Sinclair and re contextualises her work both within and against dominant Modernist narratives It explores Sinclair's negotiations between the public and private the cerebral and the corporeal and the spiritual and the profane in both her fiction and non fiction *SickKids* David Wright, The Hospital for Sick Kids, 2017-01-06 Toronto's Hospital for Sick Children is the most famous medical institution in Canada In addition to being the largest pediatric centre in North America it has earned an international reputation for clinical care and research that has influenced generations of health care practitioners across the country and around the world In a very real sense hospital staff have touched the lives of tens of thousands of children and their families SickKids has an equally remarkable history from its humble origins in rented houses in Victorian Toronto the Hospital would flourish to become an influential paediatric institution pioneering Pasteurization the Iron Lung for Polio Pablum the Mustard Procedure for Blue Babies and the discovery of the gene for Cystic Fibrosis It would also be the site of two of most famous medical controversies in modern Canadian history the suspected murder of two dozen babies in the early 1980s and more recently the whistle blowing controversy involving the research scientist Nancy Olivieri David Wright's *History of The Hospital for Sick Children* chronicles this remarkable history of the SickKids including its triumphs and tragedies its discoveries and dead ends In doing so Wright has crafted a compelling and accessible history of SickKids that anchors Toronto's children's hospital within the broader changes affecting Canadian society and medical practice over the last century *Television Across Asia* Michael Keane, Albert Moran, 2003-10-16 This book explores the trade in television program formats which is a crucially important ingredient in the globalisation of culture in Asia It examines how much traffic there is in program formats the principal direction of flow of such traffic and the economic and cultural significance of this trade for the territories involved and for the region as a whole It shows how new technology deregulation privatisation and economic recession have greatly intensified competition between broadcasters in Asia as in other parts of the world and discusses how this in turn has multiplied the incidence of television format remakes with some countries developing dedicated format companies and others becoming net importers and adapters of formats [The Ultimate Book Club: 180 Books You Should Read \(Vol.1\)](#) Jules Verne, Lewis Carroll, Selma Lagerlöf, Sigmund Freud, Charles Dickens, Plato, Mark Twain, Walt Whitman, Oscar Wilde, Robert Louis Stevenson, Edgar Allan Poe, William Shakespeare, Giovanni Boccaccio, Charlotte Brontë, Anne Brontë, Emily Brontë, Henry David Thoreau, Jack London, Henry James, Louisa May Alcott, Victor Hugo, Arthur Conan Doyle, Frances Hodgson
