*Free Us from Bullying* Paul T. Coughlin,2018-08-14 Much of what we believe about bullying isn't true An estimated twenty million oppressed children need our help today A critical mission field awaiting Christians is to combat bullying and proclaim liberty to wounded children To counter bullying we must first understand some common misconceptions It is not necessarily true that bullies have low self esteem and come from abusive homes It is not true that kids who aren't bullied are indifferent to those who are Bullying is not a school problem and teachers are not the frontline defense Children who are bullied do not become stronger adults Bullies cannot be stopped merely with more compassion and understanding In fact bullying stems from the same roots as racism sexual harassment and even genocide and it requires people to combat it in similar ways that they combat other forms of oppression and injustice We often think of combating injustice overseas but we can combat a very real and dangerous injustice in our own neighborhoods After more than a decade of working with tens of thousands of students teachers parents and pastors Coughlin knows that bullying represents the worst in human nature but combating it promotes the best Kindness and

awareness two buzzwords in today's anti bullying movement will not end bullying on their own They must be activated by courage transforming bystanders into righteous loving protectors of targets When we join this mission of love and justice we will become peacemakers who are blessed and called children of God Matt 5:9      *The Challenger* Elisabeth Bennett, 2021-10-26 The Enneagram is an ancient personality typology using nine points within a circle to represent nine distinct personality types This sixty day devotional is for Enneagram Eight known as the Challenger This book will help Eights and those who love them better understand how God created them and how best to use their unique gifts to serve Him and love others It features an explanation of what the Enneagram is how it benefits people and a full description of what it means to be an Eight including the Challenger's deadly sin and their greatest strength Some attributes of the Challenger Motivation Independence or autonomy to be in control of themselves and free from the control of others Biggest Fear Being betrayed especially by those they trust most Gut Triad Along with Ones and Nines Eights are considered to be part of the gut triad They receive information through their gut which in layman's terms means a bodily feeling of something being instinctively right or wrong The sixty days of this devotional are split into six ten day topics that include uniqueness weakness strength pain points and how Challengers react in times of stress and growth      **Tightropes and Teeter-Totters** Lisa Pennington, 2017-02-01 Lisa Pennington knows how to get up after losing her balance even with a full house a not so full bank account and never enough energy In her latest book she offers readers Strategies for finding balance in marriage motherhood and bad moods Playful yet biblically based tips for turning hard days around Inspiration for shaping obstacles into opportunities Ways to respond to irritations with gratitude Enthusiastic encouragement for living out God's purpose For every woman who wonders if her satisfaction in life will ever match her dreams Pennington has real life answers full of hope and humor      **Counseling through the Storm** Brooke Osborn, Karen Roudkovski, 2025-06-01 Seasons of crisis can come without warning and their impact is lasting Grief and trauma can reshape our lives our relationships and our faith For those walking alongside someone in a time of crisis the path forward may seem shaky and unclear In *Counseling through the Storm: A Guide to Treating Crisis and Trauma* licensed professional counselors and professors Brooke Osborn and Karen Roudkovski provide an in depth trauma informed guide for those ministering to someone in crisis From their years of professional and classroom experience Osborn and Roudkovski offer practical and sensitive guidance for mentors ministry leaders and counselors
