Beyond Business As Usual Beyond Business As Usual:

Beyond Business as Usual Michael Munn, 2012-09-10 Wherever we are in the quality movement there is more to discover to explore Today quality serves business as a way of increasing profits That is one end of a spectrum Tomorrow quality takes business into the rest of the spectrum In this new dimension business learns to serve and be served from a foundation of unconditional love At the other end of the spectrum is quality s far reaching goal the attainment of harmony between people and the entire cosmos This goal reveals the gap and steps between it and what we do today This book is intended for explorers and pioneers It is not for those who are comfortable in today s paradigms It is for those who search and yearn for new ways bring heart into the world of business and society It is not for those who are comfortable living an unexamined and changeless life It is for those who sense a thrill in the heart with the changes of each new day Experience not dry learning is the heart of this book For this reason Practical Exercises are included in most of the chapters They are experiences of things that can be known but not told or taught Without the exercises your knowing will be superficial With them you can enter into dimensions unknown to you today Michael W Munn Ph D heads the Gaia Center for Quality in Palo Alto California He provides keynotes experiential change seminars and business quality workshops Strategic planning executive development proposal and reengineering efforts are among the topics of his workshops
