HOW TO BEHAVE IN ONLINE CLASS BY PRINCIPAL MARKT.

Schools all around the world are converting to virtual classrooms, therefore when instructing online, it's crucial to set online classroom regulations. that creativity, specialized training, subject understanding, and extensive preparation are the characteristics of a successful online instructor. Online teachers must have technical skills and creativity. The first technology component that online teachers need to comprehend is the learning management system (or LMS) at their institution. Schools use a variety of online resources and platforms for educational technology throughout the year to provide lessons and interact with parents.

The role of the teacher in a virtual classroom is crucial to students' performance, and it calls for a slightly different skill set than learning in person, as recognized by today's online educators. The finest instructors understand

Tres líneas de investigación principales permiten analizar las minorías presentes en España: la lengua, la migración y la discriminación. Algunas minorías se caracterizan por la lengua, la migración y la discriminación; otras comunidades se definen solo por la lengua y la migración, pero sus miembros no sufren discriminación; otro grupo de comunidades no se caracteriza por una migración reciente, pero sus miembros son discriminados y sus lenguas no están siquiera reconocidas de forma oficial. Y por último, hay algunas comunidades que no encuentran el suficiente apoyo legal e institucional y cuyas lenguas pueden ser objeto de discriminación o encontrarse en una relación asimétrica con respecto a la lengua española. El objetivo principal de este libro es contribuir a la descripción de todas estas lenguas y comunidades presentes en España, en particular aquellas que nunca han sido descritas. Un objetivo secundario consiste en conocer mejor las diferentes lenguas y comunidades presentes en España con el fin de contribuir al siempre necesario entendimiento entre la gente y los pueblos inmigrantes y anfitriones en un mundo cambiante cuyo futuro solo puede concebirse en clave de interculturalidad. *New Serial Titles* , 1991 A union list of serials commencing publication after Dec 31 1949
