of worlds where magic pulses beneath every word and heroes rise to defy fate itself Shadowweaver's Embrace is an electrifying tale of love in the face of annihilation where shadows hold secrets and light promises redemption *Copper Streak Trail* Eugene Manlove Rhodes, 2019-12-12 In *Copper Streak Trail* Eugene Manlove Rhodes weaves an intricate narrative set against the rugged backdrop of the American Southwest capturing the essence of early 20th century life in a burgeoning mining town The novel employs rich vivid imagery and a distinctively regional dialect that reflects both the harshness and beauty of the landscape enveloping readers in a world where the stark realities of frontier life clash with the dreams of prosperity Rhodes's storytelling transcends mere adventure delving into themes of ambition community and the tumultuous relationship between man and nature all while showcasing his characteristic humor and acute social observation Eugene Manlove Rhodes an American author born in 1890 was profoundly influenced by his own experiences in the West particularly his time in the mining industry This background inspired him to infuse authenticity into his narratives drawing from the daily lives and struggles of those who sought fortune in the unforgiving terrain Rhodes's intimate knowledge of the land and its people imbues *Copper Streak Trail* with a sense of realism a reflection of his dedication to capturing the essence of Western life *Copper Streak Trail* is a must read for enthusiasts of Western literature and anyone captivated by stories of resilience and adventure With its compelling characters and richly textured setting Rhodes's novel invites readers to explore the depths of human aspiration and the indomitable spirit of the American frontier *Midnight's Gate* Beidao, 2005 Twenty essays about Bei Dao's life in exile since Tiananmen Square Knowledge of death is the only key that can open midnight's gate Bei Dao Bei Dao has gained international acclaim over the last decade for his haunting interior poetic landscapes his poetry is translated and published in some twenty five languages around the world Now in *Midnight's Gate* Bei Dao redefines the essay form with the same elliptical precision of his poetry but with an openness and humor that complements the complexity of his poems The twenty essays of *Midnight's Gate* form a travelogue of a poet who has lived in some seven countries since his exile from China in 1989 The work carries us from Palestine to Sacramento At one point we are led into a basement in Paris for a production of Gorky's *Lower Depths* the next moment we are in the mountains of China where Bei Dao worked for eleven years as a concrete mixer and ironworker The subjective experience deepens and multiplies in these essays filled with the stories of ordinary Chinese immigrants as well as those of literary artistic and political figures And it all coheres with a poet's observations meditations and memories **midnight's simulacra** Nick Black, 2024-01-17 Code stoned Debug sober Document drunk And never trust the Nuclear Regulatory Commission Michael Luis Bolaño is the scion of Mexican oil wealth gone to rut in Texas Sherman Spartacus Katz is the hyperliterate son of evangelical eccentrics from the North Georgia mountains One hopes to restore what's been lost the other to attain what never was Together at an elite Institute of Technology they train as engineers Together in the dark they study forbidden teachings By graduation they're formidably competent audacious to a fault and wholly ungovernable Need LSD precursors Biosynthesize them in yeast Need souped up

Midnight's Budding Morrow Carolyn Miller,2022-05-31 A journey of poignancy and hope difficult to put down I loved it Jennie Goutet author of the Clavering Chronicles series Sarah Drayton is eager to spend a holiday at her best friend s crumbling Northumberland castle estate Alas rather than easy companionship with her dear friend she finds herself being inveigled into a marriage of convenience with her friend s rakish brother When James Langley returns to his family s estate war is raging and he wants only distraction not serious tethers But his roguish ways have backed him into a corner and he has little choice but to obey his father s shocking decree marry before returning to war or else Suddenly he finds himself wedded to a clever and capable woman he barely knows Sarah craves love and a place to belong neither of which James offered before returning to the battlefield Now everyone around her thinks she married above her station and they have no intention of rewarding her for such impertinence Only when her husband returns from war does she begins to hope they may find real happiness When tragedy strikes this pair must learn to trust God and cling to the belief that even in the darkest depths of night the morning still holds hope

Silent Beauty Speaks Margaret Wade,2024-02-12 *Silent Beauty Speaks* is a collection of poems inspired by nature both within and without It is the author s interpretation of life and its workings To the poet life is more than just the mechanics of biology or the change and course of every season Life is a rhythmic harmony of language that flows from the speechless mouths of all things living the power of the rising sun the mystery of the midnight moon the allure of the forest the crashing of the raging seas all these things inspire thought and reason to combine into a melody of words that flows from the stream of consciousness into the rhyme and rhythm of a song that rises from the depths of the heart To some poetry may seem pointless But to the poet it is a way of transmitting her longing expressing her vision creating beauty with glowing script and breathy language Some poems are wistful Others are hard and thoughtful Whatever the difference each submits a vision and a longing that the author wishes to convey to her audience Her poems are not meant to be obscure but are rather journeys leading to clearer vision and brighter perspectives Some poems are mere reflections of life in the present moment like the beauty of the sun as it sets behind an earthy veil or the quiet peace of midnight as it shadows the sky with the velvet cloak of darkness Other poems are reflections of faith the sorrows of life in darkness the sufferings of humanity and its need for salvation Whatever the topic the author hopes to convey her peace her longing for creation and her hope in the promises she believes in and seeks to share them with others *Silent Beauty Speaks* is the author s loving work and inspiration of life and all its meanings 56
