Brockton Postcard History:

The Strand Theatre Fire: The 1941 Brockton Tragedy and the Fallen Thirteen James E. Benson & Nicole B. Casper, Foreword by Kenneth F. Galligan, Brockton Fire Chief, Retired, 2017-03-06 On March 10 1941 at 12 38 a m the Brockton Fire Department responded to Fire Alarm Box 1311 which was pulled for a fire at the Strand Theatre Fire Alarm dispatched the deputy chief three engine companies a ladder company and Squad A Within six minutes a second alarm was struck Less than one hour after the first alarm the roof of the Strand collapsed and what appeared to be a routine fire turned into a disaster that killed thirteen firefighters and injured more than twenty others The disaster marks one of the largest losses of life to firefighters from a burning building collapse in the United States Jim Benson and Nicole Casper chronicle this devastating tragedy and celebrate the community s heroes and resilience in the face of adversity **The Brockton Tragedy at Moosehead Lake** James E. Benson, Nicole B. Casper, 2018-05-07 Follow the tragic story of a fishing trip gone wrong and its impact on the community of Brockton Massachusetts On May 13 1928 ten prominent men of Brockton Massachusetts headed off on a fishing trip to Moosehead Lake in Maine After traveling fourteen hours the group met Maine guide Samuel Budden and boarded the Mac II for the final voyage to their destination Approximately six miles from the Tomhegan sporting camp the boat took on water in rough seas and sank taking Budden and all but one of the adventurers to a watery grave Jim Benson and Nicole Casper chronicle this horrific tragedy and its legacy in two New England communities **Brockton** James E. Benson, 2015 First gaining notoriety as the shoe city Brockton grew and flourished toward the end of the 19th century As the halcyon days of the shoe industry waned however Brockton experienced many changes After World War II major residential development took place in the form of affordable single family homes and four new junior high schools and eventually a new high school were built Housing for senior citizens and low income residents was constructed and new commercial buildings replaced those from a bygone era Today the city is still transforming as former shoe factories and commercial blocks are preserved and rehabilitated into new usage whether residential commercial or industrial Once a one industry town Brockton today is diverse in its industry and its people as it continues to be the City of Champions Peabody in Vintage Postcards William R. Power, 2002 Peabody was settled in 1626 as Brooksby Village and was originally a part of the town of Salem In 1752 citizens joined in the area of town known as Salem Village to form the town of Danvers The separation of the two towns into Danvers and South Danvers took place in 1855 In 1868 the name of South Danvers was changed to Peabody to honor its native son George Peabody In Peabody vivid postcards offer a contrasting view of what it was like to live and work in a community having two distinct characters the town center with its bustling tanning industries which soon earned Peabody the sobriquet of Leather Capital of the World and the pastoral farming villages of Brookdale Locustdale Brooksby and West Peabody which portray a sense of life in rural America during this same era Addresses Delivered at the Laying of the Corner Stone, May 15, 1912, and the Dedication June 10, 1913 of the Public Library Building, Brockton,

Mass Brockton (Mass.). Public Library,1913 Masquerade Alfred F. Young,2005-03-08 In Masquerade Alfred F Young scrapes through layers of fiction and myth to uncover the story of Deborah Sampson a Massachusetts woman who passed as a man and fought as a soldier for seventeen months toward the end of the American Revolution Deborah Sampson was not the only woman to pose as a male and fight in the war but she was certainly one of the most successful and celebrated She managed to fight in combat and earn the respect of her officers and peers and in later years she toured the country lecturing about her experiences and was partially successful in obtaining veterans benefits Her full story however was buried underneath exaggeration and myth some of which she may have created herself becoming another sort of masquerade Young takes the reader with him through his painstaking efforts to reveal the real Deborah Sampson in a work of history that is as spellbinding as the best detective fiction **Asheville** Sue Greenberg,Jan Kahn,1999-03-01 This visual history containing over 200 vintage postcards relives major events in Asheville s past from the coming of the railroad in 1850 until America s entry into World War I in 1917 In this time of unprecedented growth the coming of the railroad made Asheville accessible to those searching for clean air and the beauty and peace of the mountains Combined with an emphasis on cultural and social life the area s fresh mountain living proved to be a healer of body mind and soul Soon after the railroad arrived Asheville became the home of the first world renowned resort hotel in the South Within these pages unfolds a little known anecdote concerning Col Frank Coxe and the amazing sweep of real estate owned by his ancestors We learn how such a simple thing as a misplaced reservation became the catalyst for the building of the fabulous Battery Park Hotel Readers also see the impact of George W Vanderbilt E W Grove and other entrepreneurs who lovingly carved their imprint on this city
