Susan Liberty, 2022-08-01 I was a selfish Sinner I was all over partying hard and living for the brotherhood A woman and kid weren't in the cards for me I vowed never to swallow the poison pill love Subconsciously I devoured it as soon as I laid my eyes upon a gorgeous violet eyed dark haired beauty Jewel Joker I knew Jewel was different from the other sweet butts She was too intelligent too polished and too beautiful But I didn't ask questions and I didn't claim her as mine Bumping uglies was good enough for me It was all shits and giggles until everything went south a positive pregnancy test I lost my f'ing mind I became a biker Jewel feared My actions or rather inactions rained hell down on us both I broke the Sinners code above all Sinners love and protect our women and children I paid the ultimate price a dead son Jewel left Pony and I slid further into the flames of guilt and grief Now twenty one months later Jewel has returned to Pony toting a beautiful baby our second child It's time to step up get sober and be the man Jewel needs me to be a Sinner who loves and protects his family There isn't an option I need to claim them and make them mine My next move and how I'm going to make amends for all my wrongs is a mystery I need a plan Jewel Parents will tell their children the boogiemane doesn't exist He's a figment of their imagination I know the boogiemane is real I met him twice He's a living breathing human monster who sent me running into the arms of the Sinners One look and I fell hard for Joker He's funny and the most delicious eye candy a muscled tatted tall blue eyed blond biker Clue in ladies a girl can love someone and not want a relationship with them Multiple broken bones and numerous scars will teach a girl that darn quick So when I turned up pregnant I was more surprised than Joker He didn't claim us and that's cool with me Though I love Joker I don't need him I have more money than a hundred people can spend in a lifetime Joker learned my real identity and history after my attacker killed our son The following events are like looking through an unfocused lens My best friend Cookie told me Joker saved me when I had no desire to be saved It's been two years since Finlan's death Richard Briggs is locked up for life I've returned to Pony to make a life for Jackie and me Now seeing Joker is a dagger to my heart He appears unwell I can't save him he wants nothing to do with Jackie or me The best I can do is stay out

of his way     Age of Promises David Thackeray, Richard Toye, 2021 Age of Promises explores the issue of electoral promises in twentieth century Britain how they were made how they were understood and how they evolved across time through a study of general election manifestos and election addresses The authors argue that a history of the act of making promises which is central to the political process but which has not been sufficiently analysed illuminates the development of political communication and democratic representation The twentieth century saw a broad shift away from politics viewed as a discursive process whereby at elections it was enough to set out broad principles with detailed policymaking to follow once in office following reflection and discussion Over the first part of the century parties increasingly felt required to compile lists of specific policies to offer to voters which they were then considered to have an obligation to carry out come what may From 1945 onwards moreover there was even more focus on detailed costed pledges We live in an age of growing uncertainty over the authority and status of political promises In the wake of the 2016 EU referendum controversy erupted over parliamentary sovereignty Should the will of the people as manifested in the referendum result be supreme or did MPs owe a primary responsibility to their constituents and or to the party manifestos on which they had been elected Age of Promises demonstrates that these debates build on a long history of differing understandings about what status of manifestos and addresses should have in shaping the actions of government     Amerath Companion J.
