Modern Golf (Classic Reprint) Harold H. Hilton, 2017-11-08 Excerpt from Modern Golf His success was in every way due to a determination to conquer the game allied with the faculty of being able to spend hour after hour in solitary practice One would see him out early in the morning and late at night with two or three clubs and numberless balls playing the same class of shot for hours on end It had the appearance of being a dull monotonous species of amusement but he apparently enjoyed it as he never seemed to tire of the task and in the end his assiduity met with its due reward About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
