The Art of Asking Better Questions J.R. Briggs, 2025-10-07 What if the key to a deeper more meaningful life lies in the questions you ask In The Art of Asking Better Questions J R Briggs offers a thoughtful exploration of how intentional well crafted questions can transform relationships leadership and spiritual growth Guided by the wisdom of Jesus as the ultimate question asker this book introduces four levels of questions designed to address different purposes and provide practical tools to improve your conversations If you want information Google it But if you want wisdom and connection you need to become a person who asks better questions Briggs argues that the quality of your life is determined by the quality of the questions you ask God yourself and others There s not a single area where improving the quality of your questions won t improve your life and the lives of those around you In this book you ll Explore why questions are so important but why we don t ask them very much Discover how questions affect our faith Study how questions influence our ability to lead Learn simple practical ways to ask better questions With its sharp insights and actionable guidance The Art of Asking Better Questions invites you to reflect on how the questions you ask God yourself and others can lead to a fuller more vibrant life of faith and purpose Rediscover the art of inquiry your relationships leadership and faith will never be the same

Leading in Disorienting Times Gary V. Nelson, Peter M. Dickens, 2015-05-05 Jack Mezirow a leader in education theory suggests that all transformative learning begins with a disorienting dilemma an idea or experience that challenges or shifts fundamental values and assumptions Gary Nelson and Peter Dickens pastors and teachers with vast experience working with congregations and organizations believe it is time for Christian leaders to be disoriented for the fundamental values and assumptions of Christian leadership to be reframed and broken down so they can see the leadership task in new ways Blending current literature from both Christian and secular scholarship with individual and organizational examples Leading in Disorienting Times provides support for the concept of servant leadership that may be initially disorienting but is ultimately liberating
