Yoga for Stuttering J.M. Balakrishnan, 2009-04-07 Stuttering caused by a disorder in the brain's right hemisphere can limit one's life in a variety of ways from job choices and advancement to social and romantic opportunities Typical remedies emphasizing antidepressants and electronic devices have had mixed results at best Yoga for Stuttering takes a fresh approach based on ancient methods Author J M Balakrishnan combines an understanding of the neurological aspects of stuttering with yoga methods long used in India for remediation to form a new natural method for improving vocal fluency The book presents three related branches of yoga and their accompanying practices nada yoga chanting and vocalization hatha yoga yoga poses and raja yoga guided meditations providing the reader with sets of voice breathing and physical exercises to help relax the body and mind relieve chronic tension and achieve fluent speech The book features photos and illustrations to make the method easy to follow and no prior knowledge of yoga is required Yoga for Stuttering was created to meet the needs of those who have not obtained relief through traditional methods and is aimed at both speech pathologists and individuals looking for a holistic drug free approach to the condition

A Journey in the Heart Christine Apter, PhD, ERYT 500, 2017-11-06 A Journey in the Heart By Christine Apter PhD ERYT 500 This book is meant to be an organized curriculum that takes a student beyond the foundational philosophy anatomy technical aspects and teaching methodology developed from many advanced

yoga teacher training workshops The basics of yoga teaching with the standards of Yoga Alliance are not covered in this text It is designed as a manual intended to meet the criteria for 300 hours of knowledge and practice above and beyond what is taught in basic yoga teacher training A deep desire and enthusiasm for the teaching is perhaps a more important criterion for the aspiration to dive deeper To be proficient in teaching and practicing it takes thousands of hours and perhaps decades of committed work The art and science of yoga teaching and practice come together with the flexible format surrounding factual structure presented in this book Rather than an authoritative tool this manual is fashioned to be a framework for the creative work it takes to teach yoga and practice deeper The reader is encouraged to build upon the information and inspiration and to be creative and innovative with the material
