Norman Maclean's "A River Runs through It" George H. Jensen, Heidi Skurat Harris, 2024-07-31 Norman Maclean s *A River Runs through It* The Search for Beauty is the first book length study of Norman Maclean or any of his works Since the publication of *A River Runs through It* in 1976 readers and critics have considered it to be one of the most carefully crafted stories in American literature in terms of both its structure and its style The beauty of the story came with much hard work This study traces Maclean s revisions through four handwritten drafts and three typescripts quoting extensively from previously unpublished material The analysis of Maclean s composition process lays the foundation for original and detailed discussions of other aspects of Maclean s craft such as his approach to genre and style The study publishes for the first time the complete text of the notes that Maclean wrote after the first draft of *A River Runs through It*

A River Runs through It and Other Stories Norman MacLean, 2017-05-03 The New York Times bestselling classic set amid the mountains and streams of early twentieth century Montana as beautiful as anything in Thoreau or Hemingway Chicago Tribune When Norman Maclean sent the manuscript of *A River Runs Through It and Other Stories* to New York publishers he received a slew of rejections One editor so the story goes replied it has trees in it Today the title novella is recognized as one of the great American tales of the twentieth century and Maclean as one of the most beloved writers of our time The finely distilled product of a long life of often surprising rapture for fly fishing for the woods for the interlocked beauty of life and art *A River Runs Through It* has established itself as a classic of the American West filled with beautiful prose and understated emotional insights Based on Maclean s own

experiences as a young man the book's two novellas and short story are set in the small towns and mountains of western Montana. It is a world populated with drunks, loggers, card sharks, and whores, but also one rich in the pleasures of fly fishing, logging, cribbage, and family. By turns raunchy and elegiac, these superb tales express in Maclean's own words a little of the love I have for the earth as it goes by. Maclean's book, acerbic, laconic, deadpan, rings out of a rich American tradition that includes Mark Twain, Kin Hubbard, Richard Bissell, Jean Shepherd, and Nelson Algren. *New York Times Book Review*. Includes a new foreword by Robert Redford, director of the Academy Award-winning film adaptation. **A River Runs Through It, and Other Stories** Norman Maclean, 1992-09-01. From its first magnificent sentence, "In our family there was no clear line between religion and fly fishing," to the last, "I am haunted by waters," *A River Runs Through It* is an American classic. Based on Norman Maclean's childhood experiences, the title novella has established itself as one of the most moving stories of our time; it captivates readers with vivid descriptions of life along Montana's Big Blackfoot River and its near-magical blend of fly fishing with the troubling affections of the heart. The paperback edition is now available with an evocative new cover by acclaimed Montana painter Russell Chatham. A masterpiece. This is more than stunning fiction; it is a lyric record of a time and a life shining with Maclean's special gift for calling the reader's attention to the arts of all kinds: the arts that work in nature, in personality, in social intercourse, in fly fishing. Kenneth M. Pierce, *Village Voice*. Norman Maclean, 1902-90. Woodsman, scholar, teacher, and storyteller, grew up in the Western Rocky Mountains of Montana and worked for many years in logging camps and for the United States Forestry Service before beginning his academic career. He retired from the University of Chicago in 1973. *A River Runs Through It*, 1992. **A River Runs Through It**,
