A Mencken Chrestomathy H.L. Mencken, 1982-04-12 Edited and annotated by H L M this is a selection from his out of print writings They come mostly from books the six installments of the Prejudices series A Book of Burlesques In Defense of Women Notes on Democracy Making a President A Book of Calumny Treatise on Right and Wrong but there are also magazine and newspaper pieces that never got between covers from the American Mercury the Smart Set and the Baltimore Evening Sun and some notes that were never previously published at all Readers will find edification and amusement in his estimates of a variety of Americans Woodrow Wilson Aimee Semple McPherson Roosevelt I and Roosevelt II James Gibbons Huneker Rudolph Valentino Calvin Coolidge Ring Lardner Theodore Dreiser and Walt Whitman Those musically inclined will enjoy his pieces on Beethoven Schubert and Wagner and there is material for a hundred controversies in his selections on Joseph Conrad Thorstein Veblen Nietzsche and Madame Blavatsky      A Northrop Frye Chrestomathy Robert D. Denham, 2015-01-12 This chrestomathy is a selection of passages from the previously unpublished writings of Northrop Frye much of it coming from his notebooks and diaries which are now a part of his Collected Works 1996 2012 The passages arranged alphabetically form a discontinuous series of reflections on diverse topics that are worthy of extracting from their original source The passages gathered here are aphoristic insightful clever startling amusing contrarian curious powerful salty irreverent unguarded or otherwise noteworthy in the way they reveal Frye s fertile mind at work Frye is Canada s greatest literary critic and a good argument can be made that he is the greatest critical presence internationally of the last century This book showcases the seeds of the ideas he often developed in his books and essays The passages range widely across Frye s sixty year writing career extending from the early 1930s until just before his death in 1991      **Irresponsible Freaks, Highball Guzzlers & Unabashed Grafters** Bob Edwards, 2004 Bob Edwards the Great White North s equivalent to H L Mencken remains a singular figure in Canadian journalism His newspapers published in Wetaskiwin Leduc High River Strathcona Winnipeg Port Arthur and most famously Calgary skewered politics society and business leaders with a fearlessness and outrageousness rarely seen then now or in between As editor James Martin points out in his illuminating introduction Bob Edwards seems more modern the farther back in history he recedes he was the granddaddy of Gonzo Journalism la Hunter S Thompson a freewheeling cultural critic in the spirit of Lester Bangs a pioneer of satirical reform as evidenced in Frank magazine and a spoofer of the po faced reporting of his day in precisely the same way that The Onion is now Irresponsible Freaks Highball Guzzlers and Unabashed Grafters features mountains of Edwards s superb aphorisms a generous helping of his longer and lesser known works and some choice items which have never before seen print as well as miraculous archival discoveries and many cartoons from Edwards s celebrated Eye Opener It is a welcome addition to the Bob Edwards canon for those who thought they knew everything about him and an eye opening introduction to the uninitiated He was writing this stuff a hundred years ago      **Irresponsible Freaks** Bob Edwards, 2011-11-15 Bob Edwards

the Great White North's equivalent to H L Mencken remains a singular figure in Canadian journalism. His newspapers published in Wetaskiwin, Leduc, High River, Strathcona, Winnipeg, Port Arthur, and most famously Calgary skewered politics, society, and business leaders with a fearlessness and outrageousness rarely seen then, now, or in between. As editor James Martin points out in his illuminating introduction, Bob Edwards seems more modern the farther back in history he recedes; he was the granddaddy of Gonzo Journalism. la Hunter S. Thompson, a freewheeling cultural critic in the spirit of Lester Bangs, a pioneer of satirical reform as evidenced in *Frank* magazine, and a spoofer of the po-faced reporting of his day in precisely the same way that *The Onion* is now. *Irresponsible Freaks: Highball Guzzlers and Unabashed Grafters* features mountains of Edwards's superb aphorisms, a generous helping of his longer and lesser known works, and some choice items which have never before seen print, as well as miraculous archival discoveries and many cartoons from Edwards's celebrated *Eye Opener*. It is a welcome addition to the Bob Edwards canon for those who thought they knew everything about him, and an eye-opening introduction to the uninitiated. He was writing this stuff a hundred years ago.

Real Writing Mitchell Nobis, Daniel Laird, Carrie Nobis, Dawn Reed, Dirk Schulze, 2016-09-23

High school writing prompts often ask students to provide overly simplified responses to complicated issues, but a person's stance in the real world can rarely, if ever, be reduced to agree or disagree. Arguments are complex, with more than two points of view and a range of evidence to consider. However, writing classes don't always embrace that complexity. *Real Writing: Modernizing the Old School Essay* contends that engaging fully with complex texts and difficult nuanced arguments helps students become better thinkers and writers, more fully prepared for life both in and after high school. By offering students current texts to read and issues to discuss, teachers introduce their students to more complex arguments. *Real Writing: Modernizing the Old School Essay* recognizes the value of various types of texts, but the need for contemporary readings in our literature and composition classes is important for relevancy related to student engagement, the Common Core State Standards, and participation in our democratic society. This book shares curricular moves to engage students in reading and writing authentic arguments.

*The Lady with the Borzoi* Laura Claridge, 2016-04-12

The untold story of Blanche Knopf, the singular woman who helped define American literature. Left off her company's fifth anniversary tribute but described by Thomas Mann as the soul of the firm, Blanche Knopf began her career when she founded Alfred A. Knopf with her husband in 1915. With her finger on the pulse of a rapidly changing culture, Blanche quickly became a driving force behind the firm. A conduit to the literature of Langston Hughes and the Harlem Renaissance, Blanche also legitimized the hard-boiled detective fiction of writers such as Dashiell Hammett, James M. Cain, and Raymond Chandler, signed and nurtured literary authors like Willa Cather, Elizabeth Bowen, and Muriel Spark, acquired momentous works of journalism by John Hersey and William Shirer, and introduced American readers to Albert Camus, Andr  Gide, and Simone de Beauvoir, giving these French writers the benefit of her consummate editorial taste. As Knopf celebrates its centennial, Laura Claridge looks back at the firm's beginnings and the dynamic woman who helped to define American

letters for the twentieth century Drawing on a vast cache of papers Claridge also captures Blanche s witty loyal and amusing personality and her charged yet oddly loving relationship with her husband An intimate and often surprising biography The Lady with the Borzoi is the story of an ambitious seductive and impossibly hardworking woman who was determined not to be overlooked or easily categorized Jesus Called - He Wants His Church Back Ray Johnston,2016-03-01 As early as 50 AD Christians had gotten away from knowing who Jesus really is Our generation is no different In every decade we as Americans lost something important that we couldn t afford to lose In the 1950 s we lost innocence In the 1960 s we lost respect for authority In the 1970 s we lost love In the 1980 s we lost values In the 1990 s we lost faith In the 2000 s we lost security In the 2010 s we lost hope in the future What can restore what we ve lost Only Jesus Jesus gave us His name His friendship and a commission to accept responsibility for ourselves and for the world When introduced to His wordsandways we ll rediscover the Jesus who Wants His enemies won over not wiped out Wants you to stop playing it safe Believed great things were possible no matter what things are like right now Was full of grace and truth Unleashed compassion Believed no one was too far from God to return to Him Came to seek and to save that which was lost Loves the church Pastor Ray Johnston shares the Jesus of the Bible and how we can be Christians without being jerks He reveals how the radical message of the gospel calls us to love and serve not only our neighbors but our enemies as well That s the Jesus the American Church has missed and needs to meet Jesus mission is clear risk everything in order to take care of people starting in our home neighborhoods cities and those in need around the world That s the Jesus the American Church has missed and needs to meet A Second Mencken Chrestomathy H. **The Atheist's Primer** Michael Palmer, 2012-10-08 Arguing that a new atheism driven largely by Darwinian objections to God s existence has limited debate to a scientific framework The Atheist s Primer reinstates the importance of philosophy in the debate about God s existence and in so doing recovers the distinguished philosophical tradition of atheism which Dawkins and others have obscured Beginning with the Ancient Greeks and culminating with Hume Michael Palmer provides the philosophical framework on which scientific objections to theism are hung He explicates and comments on the thinking behind atheism discussing issues such as evil morality miracles and the motivations for belief Although delving deeply into epistemological concerns emphasising the disheartening limitations of man s capacity for knowledge and our materialist dependencies Palmer concludes on a positive note arguing alongside Nietzsche Marx and Freud and many others that happiness and personal fulfilment are to be found in the very materialism that religious belief rejects An eloquent abridgment of his previous work The Atheist s Creed which was aimed at the educational market The Atheist s Primer is written in fluent and concise prose making it an accessible introduction for the general reader
