A Month By The Sea Encounters In Gaza:

A Month by the Sea Dervla Murphy, 2015-05-12 Dervla Murphy recounts the events people and ironies she encountered while living in Gaza during Summer 2011 *Civil Society, Post-Colonialism and Transnational Solidarity* Marie-Violaine Louvet, 2016-06-28 Civil Society Post Colonialism and Transnational Solidarity originates from Louvet's observation of the strong commitment of a layer of Irish civil society from the man on the street to political parties associations and trade unions to the defence of one antagonist or the other in the Israeli Palestinian conflict beginning with the Six Day War in 1967 and increasingly so after the Lebanon Wars at the start of the 1980s and the Second Intifada 2000 2005 This book observes how this phenomenon is particularly striking in Northern Ireland where Israeli and Palestinian flags have been flown by Unionists and Nationalists as signs of solidarity and identification Louvet sheds light on the dynamics and strategies at play in the Middle East conflict in Northern Ireland but also in the Republic of Ireland a country considered to be widely sympathetic to the Palestinian cause With an overarching perspective highlighting the influence of Irish colonial history over the motives and discourse of the different levels of mobilization in civil society this book shows the global movement towards the fragmentation and specialization of transnational solidarity actions in Ireland **Interstices of Space and Memory**

of identities and rivalries religious ethnic and national have shaped the region jolted by the seismic shift of the Iranian Revolution of 1979 Rogerson's original approach takes the modern chessboard of nation states and looks at each through its particular history of empires and occupiers minorities and resources sheikhs and imams The result is a book of wide ranging empathy understanding and insights

Your Place or Mine? Ethel Crowley, 2013-03-22 Ireland's economy is being scrutinised daily by everyone from politicians to pub goers but what about the deeper questions of Ireland's sense of identity and community Socially Ireland is in a period of rapid change is it time to get behind the numbers and look at who we really are In *Your Place or Mine* sociologist Ethel Crowley looks at our attitudes to home place family sexuality and community Do we still need the traditional forms of connection to home family community and locality in the highly globalised society in which we live Do we still like to stay within the heart of a familiar comfort zone or are we willing to push its boundaries *Your Place or Mine* captures some of the complexities of contemporary Ireland What is the impact of globalisation and multiculturalism Are community values really declining Despite a more liberal attitude to sexuality are we a liberal society Ethel Crowley mixes warm hearted biography and sociological rigour to create a set of reflections on finding our place in the world as a country and as individuals Crowley uses an exciting innovative approach to identify and describe the cultural transformations of contemporary Ireland Mixing personal memories with sociologically informed debate she provides an insightful and imaginative explanation of how Ireland has combined the local with the global
