The Waterbearers Sasha Bonét, 2025-09-16 An epic love song and remarkable ballad of generations Leslie Jamison I couldn t write about Black motherhood without writing about America Sasha Bon t Sasha Bon t grew up in 1990s Houston worlds removed from the Louisiana cotton plantation that raised her grandmother Betty Jean and the Texas bayous that shaped Sasha s mother Connie And though each generation did better materially than

the last all of them carried the complex legacy of Black American motherhood with its origins in slavery All of them knew that the hands used to comb and braid hair shell pecans and massage weary muscles were the very hands used to whip children into submission When she had her own daughter Sofia Bon t was determined to interrupt this tradition She brought Sofia to New York and set off on a journey not only up and down the tributaries of her bloodline but also into the lives of Black women in history and literature Betty Davis Recy Taylor and Iberia Hampton among them to understand both the love and pain they passed on to their children and to create a way of mothering that honors the legacy but abandons the violence that shaped it The Waterbearers is a dazzling and transformative work of American storytelling that reimagines not just how we think of Black women but how we think of ourselves as individuals parents communities and a country **In My**
