Lewis and Christian Postmodernism** Kyoko Yuasa, 2017-05-25 Employing a postmodernist literary approach Kyoko Yuasa identifies C S Lewis both as an antimodernist and as a Christian postmodernist who tells the story of the Gospel to twentieth and twenty first century readers Lewis is popularly known as an able Christian apologist talented at explaining Christian beliefs in simple logical terms His fictional works on the other hand feature expressions that erect ambiguous borders between non fiction and fiction an approach similar to those typical in postmodernist literature While postmodernist literature is full of micronarratives that deconstruct the Great Story Lewis's fictional world shows the reverse in his world micronarratives express the Story that transcends human understanding Lewis's approach reflects both his opposition to modernist philosophy which embraces solidified interpretation and his criticism of modernised Christianity Here Yuasa brings to the fore Lewis's focus on the history of interpretation and seeks a new model Understand Emerging Church Theology Jeremy Bouma, 2014-07-27 3 Emergent Theology Response Books in 1 Includes best selling books Reimagining the Kingdom The Generational Development of Liberal Kingdom Theology from

Schleiermacher to McLaren The Gospel of Brian McLaren A New Kind of Christianity for a Multi Faith World Reimagining the Christian Faith Exploring the Emergent Theology of Doug Pagitt Peter Rollins Samir Selmanovic and Brian McLaren On February 8 2010 pastor and theologian Jeremy Bouma did something he thought he d never do He said Goodbye Emergent Once upon a time he was enamored by the I am not a movement but a conversation known as the Emerging Church after entering a period of faith deconstruction and reconstruction nine years ago Like many young adults for the first time he was taking his faith in Jesus Christ seriously and asking a whole lot of questions along the way which the Emergent Church helped foster and nurture But then something happened He came to realize the Emerging Church is a form of Christianity other than the versions that currently exist but mirror those that have already existed mainly the false theology of theological liberalism Understand Emerging Church Theology is a bundle of three books representing his best selling work as a former Emergent insider and historical theologian He offers it to help empower other interested Christians to respond to the foreign theology of the Emerging Church and do what Jude urges the Church to do contend for the faith that was once for all entrusted to God s holy people Jude 3 Mapping Postmodernism Robert C. Greer,2003-08-11 Helping you navigate the complex debate among Christians over postmodernism Robert C Greer maps four different paths marked out by Francis Schaeffer Karl Barth John Hick and George Lindbeck Ultimately he points to the true Subject who makes knowledge possible through the language of revelation and relationship with God Shaken Faith Sanejo Leonard,2015-04-23 When your faith no longer works and the catch phrases and Christianese that got you to where you are cannot take you past your current crisis what do you do Is doubt okay Is it okay for Christians to struggle with what they believe Is it okay to question God This book takes an honest and in depth look at faith crises experiences from interviews with sixty people and five biblical narratives addressing head on the issues of doubt and times of questioning one s faith Shaken Faith outlines a biblical perspective and a fresh way of viewing doubt the questions Christians experience in their faith and faith crisis moments In order for faith to be real it must be challenged and shaken so that the depth of the faith can be rooted in an unshakable God

Gospel Virtues Jonathan R. Wilson,2004-08-16 Virtues are in but the work of Bill Bennett and others says little about specifically Christian virtues Jonathan Wilson now recounts the recent rise of virtue ethics and provides a compelling Christian account and justification of them Wilson engages such key figures as Alasdair MacIntyre and Stanley Hauerwas Focusing especially on the theological virtues of faith hope and love he not only sets forth a closely reasoned intellectual argument but suggests how an embrace of virtue ethics might change the nitty gritty practice of the church s education worship and hospitality Accessible informed and faithful Gospel Virtues is important reading for all who care about issues of character and community **Church in Transition** Tim Conder,2010-12-21 The Journey of Existing Churches into the Emerging Culture In our fast growing post Christian postmodern culture the church often finds itself marginalized and ineffective in mission The new emerging church is both hopeful and frightening compared to more traditional forms of

Christianity However these two churches need each other The Church in Transition presents honest stories of the failures and successes of a variety of transitioning fellowships **Pentecostal and Postmodern Hermeneutics** Bradley Truman Noel, 2010-01-29 Pentecostal and Postmodern seeks to explore the relationship between Pentecostal hermeneutics and Pentecostalism's ability to connect with and evangelize North American youth As a Postmodern ethos makes its presence increasingly felt in the Western world no Christian movement should be better positioned to bring the message of Christ to youth and young adults eager to experience the God of Miracles and wonders Recent trends in Pentecostal hermeneutics however may actually make the task more difficult No historical movement has thrived in the long term that has not carefully considered the vision for the forefront of youth ministry in the last several decades we must also connect Pentecostal academia with evangelism efforts among youth and young adults This work calls Pentecostal scholars to thoughtfully consider the implications of their work for future generations
