iPod: The Missing Manual J.D. Biersdorfer, David Pogue, 2012-12-28 This new edition includes full colour graphics easy to follow explanations and guidance on how to get the most from iTunes and the entire line of iPods **Mac Life**, 2008 MacLife is the ultimate magazine about all things Apple It's authoritative ahead of the curve and endlessly entertaining MacLife provides unique content that helps readers use their Macs iPhones iPods and their related hardware and software in every facet of their personal and professional lives **The Biology of Investing** John R. Nofsinger, Corey A. Shank, 2020-03-30 Why do people's financial and economic preferences vary so widely Nurture variables such as socioeconomic factors partially explain these differences but scientists have been discovering that nature also plays an important role This is the first book to bring together these scientific insights for a holistic view of the role of human biology in financial decision making Geneticists are now examining which genetic markers are associated with financial and economic preferences Neuroscientists are now determining where in the brain financial decisions are made and how that varies between people Endocrinologists relate the level of different hormones circulating in the body to financial risk taking Researchers are exploring how physiology and environmental conditions influence investment decisions and how three types of cognitive ability play essential roles in investment success This exciting and relevant work being done in these academic silos has generally not been transmitted among the scientific areas or to industry For the first time this book integrates all these areas explaining the myriad ways in which a person's biology influences their investing decisions Financial analysts advisors market participants and upper level undergraduate and postgraduate students of behavioral finance behavioral economics and investing will find this book invaluable enabling a deeper understanding of investors decision making processes To further ensure this new material is accessible to students PowerPoint slides are available online for instructors use *Mac Life*, 2007-12 MacLife is the ultimate magazine about all things Apple It's authoritative ahead of the curve and endlessly entertaining MacLife provides unique content that helps readers use their Macs iPhones iPods and their related hardware and software in every facet of their personal and professional lives *Mac Life*, 2007-02 MacLife is the ultimate magazine about all things Apple It's authoritative ahead of the curve and endlessly entertaining MacLife provides unique content that helps readers use their Macs iPhones iPods and their related hardware and software in every facet of their personal and professional lives *Mac Life*, 2007-05 MacLife is the ultimate magazine about all things Apple It's authoritative ahead of the curve and endlessly entertaining MacLife provides unique content that helps readers use their Macs iPhones iPods and their related hardware and software in every facet of their personal and professional lives **iPodpedia** Michael Miller, 2007-04-26 iPodpedia is the first book to show you everything that the iPod and iTunes have to offer from music to movies and beyond Whether you want to get the most out of your iPod's music playback create your own playlists edit your music info and album art convert your home movies and DVDs to iPod videos listen to audiobooks and podcasts or just
