Between Parentheses Essays Articles And Speeches 1998 2003:

Between Parentheses Roberto Bolaño, 2014-05-27 Now in paperback the sole collection of the great Chilean writer's essays Borges and Kafka, Bolaño and Bloom Juan E. De Castro, 2022-02-15 At a time in which many in the United States see Spanish America as a distinct and for some threatening culture clearly differentiated from that of Europe and the US it may be of use to look at the works of some of the most representative and celebrated writers from the region to see how they imagined their relationship to Western culture and literature In fact while authors across stylistic and political divides like Gabriela Mistral Jorge Luis Borges or Gabriel García Márquez see their work as being framed within the confines of a globalized Western literary tradition their relationship rather than epigonal is often subversive Borges and Kafka Bolaño and Bloom is a parsing not simply of these authors' reactions to a canon but of the notion of canon writ large and the inequities and erasures therein It concludes with a look at the testimonial and autobiographical writings of Rigoberta Menchú and Lurgio Gavilán who arguably represent the trajectory of Indigenous testimonial and autobiographical writing during the last forty years noting how their texts represent alternative ways of relating to national and on occasion Western cultures This study is a new attempt to map writers' diverse ways of thinking about locality and universality from within and without what is known as the canon

Between Parentheses Roberto Bolaño, 2011-05-30 Collection of most of Bolaño's newspaper columns articles many about other literary authors prefaces and texts of talks or speeches given by Bolaño during the last five years of his life Taken together they make a surprisingly rounded whole a kind of fragmented autobiography Introduction p 1

Roberto Bolaño In Context Jonathan B. Monroe, 2023-01-05 From his first fifteen years in Chile to his nine years in Mexico City from 1968 to 1977 to the quarter of a century he lived and worked in the Blanes Barcelona area on the Costa Brava in Spain through his death in 2003 Roberto Bolaño developed into an astonishingly diverse prolific writer He is one of the most consequential and widely read of his generation in any language Increasingly recognized not only in Latin America but as a major figure in World Literature Bolaño is an essential writer for the 21st century world This volume provides a comprehensive mapping of the pivotal contexts events stages and influences shaping Bolaño's writing As the wide ranging investigations of this volume's 30 distinguished scholars show Bolaño's influence and impact will shape literary cultures worldwide for years to come

The Paradox of Authenticity in a Globalized World R. Cobb, 2014-04-02 Authenticity in our globalized world is a paradox This collection examines how authenticity relates to cultural products looking closely at how a particular ethnic food or genre of popular music or indigenous religious belief attains its aura of originality when all traditional cultural products are invented in a certain time and place

Roberto Bolaño, a Less Distant Star I. López-Calvo, 2015-03-04 Roberto Bolaño has attained an almost mythical stature and is often considered the most influential Latin American writer of his generation The first English language volume of essays on the Chilean author Roberto Bolaño a Less Distant Star Critical Essays includes ten critical essays of his oeuvre With a special emphasis on his masterpieces 2666

The Savage Detectives By Night in Chile and Distant Star the essays address topics such as Borges s influence and the role of repetition social memory allegory and neoliberalism Modern American Drama: Playwriting in the 1940s Felicia Hardison Londré,2019-11-14 The Decades of Modern American Drama series provides a comprehensive survey and study of the theatre produced in each decade from the 1930s to 2009 in eight volumes Each volume equips readers with a detailed understanding of the context from which work emerged an introduction considers life in the decade with a focus on domestic life and conditions social changes culture media technology industry and political events while a chapter on the theatre of the decade offers a wide ranging and thorough survey of theatres companies dramatists new movements and developments in response to the economic and political conditions of the day The work of the four most prominent playwrights from the decade receives in depth analysis and re evaluation by a team of experts together with commentary on their subsequent work and legacy A final section brings together original documents such as interviews with the playwrights and with directors drafts of play scenes and other previously unpublished material The major playwrights and their works to receive in depth coverage in this volume include Eugene O Neill The Iceman Cometh 1946 A Moon for the Misbegotten 1947 Long Day s Journey Into Night written 1941 produced 1956 and A Touch of the Poet written 1942 produced 1958 Tennessee Williams The Glass Menagerie 1944 A Streetcar Named Desire 1947 Summer and Smoke 1948 Arthur Miller All My Sons 1947 Death of a Salesman 1949 and The Crucible 1953 Thornton Wilder Our Town 1938 The Skin of Our Teeth 1942 Shadow of a Doubt 1943 and The Alcestiad written 1940s Carceral Worlds Hanneke Stuit,Jennifer Turner,Julienne Weegels,2024-07-25 We live a world in which the number of prisons is growing and experiences of incarceration are increasingly widespread Carceral Worlds offers a necessary and timely contribution to understanding these carceral realities of the globalized present The book asks how the carceral has become so central in life how it manifests in different geographical locations and finally what the likely consequences are of living in such a carceral world Carceral Worlds focuses on carceral practices experiences and imaginaries that reach far beyond traditional spaces of confinement It shows the lasting effects of colonial carceral heritage the influence of prison systems on city management and the entrapping nature of digital infrastructures It also discusses new urbanized forms of migrant detention the relation between prisons and homelessness the use of carceral metaphors in the everyday and the carceral implications of the uneven distribution of climate risk across the globe The volume brings together work from scholars across the world and from a variety of disciplines in the social sciences and humanities offering a fresh approach to the carceral as a central vector in modern life *The Bloomsbury Companion to Modernist Literature* Ulrika Maude,Mark Nixon,2018-11-01 In this book leading international scholars explore the major ideas and debates that have made the study of modernist literature one of the most vibrant areas of literary studies today The Bloomsbury Companion to Modernist Literature offers a comprehensive guide to current research in the field covering topics including The modernist everyday emotion myth geographies and language scepticism Modernist literature and the arts music the visual arts cinema

and popular culture Textual and archival approaches manuscripts genetic criticism and modernist magazines Modernist literature and science sexology neurology psychology technology and the theory of relativity The geopolitics of modernism globalization politics and economics Resources keywords and an annotated bibliography *Writing the Mind* Hannah Walser, 2022-07-19 Novels are often said to help us understand how others think especially when those others are profoundly different from us When interpreting a character's behavior readers are believed to make use of Theory of Mind the general human capacity to attribute mental states to other people In many well known nineteenth century American novels however characters behave in ways that are opaque to readers other characters and even themselves undermining efforts to explain their actions in terms of mental states like beliefs and intentions Writing the Mind dives into these unintelligible moments to map the weaknesses of Theory of Mind and explore alternative frameworks for interpreting behavior Through readings of authors such as Charles Brockden Brown Herman Melville Martin Delany Harriet Beecher Stowe Charles Chesnutt and Mark Twain Hannah Walser explains how experimental models of cognition lead to some of the strangest formal features of canonical American texts These authors' attempts to found social life on something other than mental states not only invite us to revise our assumptions about the centrality of mind reading and empathy to the novel as a form they can also help us understand more contemporary concepts in social cognition including gaslighting and learned helplessness with more conceptual rigor and historical depth
