Between Nowhere Never Photographs Forgotten:

Between Nowhere & Never Reginald Van De Velde, Mirna Pavlovic, 2015-10 Reginald Van de Velde takes photos of forgotten places of abandoned spaces where time has ground to a halt His haunting photos are simply breathtaking Many exclusive locations that have never been photographed before The unknown and the unseen have always held an undeniable appeal to the human nature In a world that is ever growing and changing there are places that inevitably slip out of memory and out of sight Reginald Van de Velde's *Between Nowhere Never* shows the past splendor of derelict hospitals mothballed monasteries defunct power stations crumbling castles and many other dormant structures As a devoted traveller he journeys into forsaken places all over the world trying to capture the momentum of a fragile abandonment the result of an intangible desire to explore what mankind has left behind The chapters written by Mirna Pavlovic weave the photographs together into a larger narrative providing an insight into the photographer's thoughts and motivations and breathe in new life to places desperately searching for it With the reverberation of time as a vantage point this book will take you on a journey to places that exist between nowhere and never
