Between Speaking And Silence A Study Of Quiet Students:

Between Speaking and Silence Mary M. Reda,2009-01-28 Why are students silent Using written reflections and interviews Mary M Reda examines students perceptions of speaking and being silent in a first year composition classroom and explores how their teachers classroom relationships and their own sense of identity shape their decisions to speak or be silent By challenging many firmly held beliefs about those quiet students in the back of the classroom Between Speaking and Silence offers the new vision that silence is not necessarily problematic *Journal of International Students 2012 Vol 2 Issue 1* Krishna Bista,2015-10-03 An interdisciplinary peer reviewed publication Journal of International Students Print ISSN 2162 3104 Online ISSN 2166 3750 is a professional journal that publishes narrative theoretical and empirically based research articles student reflections and book reviews relevant to international students and their cross cultural experiences and understanding Published quarterly the Journal encourages the submission of manuscripts from around the world and from a wide range of academic fields including comparative education international education student affairs linguistics psychology religion sociology business social work philosophy and culture studies For further information http jistudents org

Journal of International Students, 2012 Vol. 2(1) Krishna Bista, 2012-02-01 The Journal of International Students JIS an academic interdisciplinary and peer reviewed publication Print ISSN 2162 3104 Online ISSN 2166 3750 publishes scholarly peer reviewed articles on international students in tertiary education secondary education and other educational settings that make significant contributions to research policy and practice in the internationalization of higher education www ojed org jis Proceedings of the 2024 4th International Conference on Internet Technology and Educational Informatization (ITEI 2024) Mir Sajjad Hussain Talpur, Muhd Khaizer Omar, Masrah Azrifah Azmi Murad, Nur Izura Binti Udzir, 2024-11-01 This is an open access book As a contributor to the global trend of technological innovation China continues to create a more open environment for scientific and technological innovation constantly enhancing the depth and breadth of academic cooperation and building an innovation community that benefits all parties This is a new contribution to globalization and a new effort towards building a community with a shared future for mankind The 4th International Conference on Internet Technology and Educational Informatization will be held in Kuala Lumpur Malaysia from August 23 to 25 2024 The conference will gather innovative scholars and industry experts in the fields of internet technology and educational informatization to share an academic feast The main goal of the conference is to promote research and development activities in internet technology and educational informatization Another goal is to facilitate the exchange of scientific information among researchers developers engineers students and practitioners from around the world The organizing committee sincerely invites research experts and scholars to participate in this conference to jointly support technological innovation and promote new developments in scientific research and academia Materializing Silence in Feminist Activism Jessica Rose Corey, 2021-10-27 This book examines how rhetorically effective uses of silence and

materiality mediate feminist activism and discusses the implications of these dynamics for pedagogy Specifically the text establishes a theoretical foundation for what the author terms psychosocial composing or the metaphorical composing and revising of individual participants and society and the contribution of written and visual texts as an input and output of the relationships between individuals and social culture This idea is examined through primary research on the Clothesline Project an international event that invites people who have experienced gender violence directly or indirectly to decorate tee shirts that get hung on clotheslines in public places Through looking at values and roles of silence in global cultures and the use of material arts in activist efforts the author argues for the unique value of silence and materiality in individual and collective spaces The manuscript includes discussion questions and sample teaching materials Overall making connections among composition and rhetoric psychology sociology politics women s studies art and design pedagogy and history this book further demonstrates the potential interdisciplinary approaches to rhetoric and communication **Silence and Listening** as Rhetorical Arts Cheryl Glenn, Krista Ratcliffe, 2011-01-05 In Silence and Listening as Rhetorical Arts editors Cheryl Glenn and Krista Ratcliffe bring together seventeen essays by new and established scholars that demonstrate the value and importance of silence and listening to the study and practice of rhetoric Building on the editors groundbreaking research which respects the power of the spoken word while challenging the marginalized status of silence and listening this volumemakes a strong case for placing these overlooked concepts and their intersections at the forefront of rhetorical arts within rhetoric and composition studies Divided into three parts History Theory and Criticism and Praxes this book reimagines traditional histories and theories of rhetoric and incorporates contemporary interests such as race gender and cross cultural concerns into scholarly conversations about rhetorical history theory criticism and praxes For the editors and the other contributors to this volume silence is not simply the absence of sound and listening is not a passive act When used strategically and with purpose together and separately silence and listening are powerful rhetorical devices integral to effective communication The essays cover a wide range of subjects including women rhetors from ancient Greece and medieval and Renaissance Europe African philosophy and African American rhetoric contemporary antiwar protests in the United States activist conflict resolution in Israel and Palestine and feminist and second language pedagogies Taken together the essays in this volume advance the argument that silence and listening are as important to rhetoric and composition studies as the more traditionally emphasized arts of reading writing and speaking and are particularly effective for theorizing historicizing analyzing and teaching An extremely valuable resource for instructors and students in rhetoric composition and communication studies Silence and Listening as Rhetorical Arts will also have applications beyond academia helping individuals cultural groups and nations more productively discern and implement appropriate actions when all parties agree to engage in rhetorical situations that include not only respectful speaking reading and writing but also productive silence and rhetorical listening <u>Silence in the Second Language Classroom</u> J. King, 2013-10-31 Why are second language learners

in Japan's universities so silent This book investigates the perplexing but intriguing phenomenon of classroom silence and draws on ideas from psychology sociolinguistics and anthropology to offer a unique insight into the reasons why some learners are either unable or unwilling to speak in a foreign language **Silence in English Language Pedagogy** Dat Bao, 2023-02-09 Silence in language learning is commonly viewed negatively with language teachers often struggling to interpret learner silence and identify whether it is part of communication mental processing or low engagement This book addresses silence in language pedagogy from a positive perspective translating research into practice in order to inform teaching and to advocate greater use of positive silence in the classroom. The first half of the book examines the existing research into silence and the second half provides research informed practical strategies and classroom tasks It offers applicable principles for task design that utilises rich resources which include visual arts mental representation poetry music and other innovative tools to allow both silence and speech to express their respective and interrelated roles in learning Comprehensive yet accessible it is essential reading for academic researchers and students in applied linguistics TESOL and language teaching as well as for language teachers and educators The Dynamic Interplay between Context and the Language Learner Jim King, 2016-01-26 This edited volume offers a series of state of the art conceptual papers and empirical research studies which consider how contextual factors at multiple levels dynamically interact with individuals to influence how they go about the complex business of learning and using a second language East Asian Perspectives on Silence in English Language Education Iim King, Seiko Harumi, 2020-06-22 Silence is a key pedagogical issue in language education Seen by some as a space for thinking and reflection during the learning process for others silence represents a threat inhibiting target language interaction which is so vital during second language acquisition This book eschews stereotypes and generalisations about why so many learners from East Asia seem either reluctant or unable to speak in English by providing a state of the art account of current research into the complex and ambiguous issue of silence in language education The innovative research included in this volume focuses on silence both as a barrier to successful learning and as a resource that may in some cases facilitate language acquisition The book offers a fresh perspective on ways to facilitate classroom interaction while also embracing silence and it touches on key pedagogical concepts such as teacher cognition the role of task features classroom interactional approaches pedagogical intervention and socialisation willingness to communicate as well as psychological and sociocultural factors Each of the book s chapters include self reflection and discussion tasks as well as annotated bibliographies for further reading
